

**LION'S CLUB  
ORGANIZED AT  
MT. PROSPECT****Out of Town Speakers  
Tell Aim Of  
Lionism**

Action was taken at the meeting of the business men of Mt. Prospect to form a Lion's Club, and sufficient applications were made at the meeting to insure the completion of the organization.

The meeting, held on Wednesday evening, February 14, was very well attended, with about forty local business and professional men present to find out what the plan was, and to discuss among themselves the need for an organization such as had been indicated in the notice sent out by the committee. This notice, sent out over the signatures of a group of seven local business men said, in part:

"You know that the coming among us of the right kind of people means more taxes paid to our village treasury for local improvements; the possibility of lowered taxes; the increase in real estate and property values; mortgages now dead will become rehabilitated and restored to the status of assets; more money spent in town; more business and better times for all.

"This organization is to be non-political and non-sectarian to promote harmony, good fellowship and a better understanding between ourselves and to discuss, to plan and to work out ways and means for the advancement of Mount Prospect and advertising to the select among home seekers and home builders, the peculiar advantages of our community for residence.

"To accomplish this which we desire we must all work together: all for one and one for all."

**Response Gratifying**

The response to the notice was considered by the committee to be very gratifying, and promised the full accomplishment of the purpose which was set forth in the invitation. The meeting was attended by a number of Lions from neighboring towns, and from the Chicago office of the organization, all of whom spoke to the assembly, in explanation of the purpose of the organization, and of the accomplishment of Clubs in neighboring and similar communities. The meeting was opened by the election of Dr. Buck as temporary chairman, and Mr. L. E. Hodges as temporary secretary, after which Dr. Buck presented his picture of the need for a cooperative and constructive business organization in the community.

Mr. Wm. Busse, Jr., a member of the Lions Club of Des Plaines, introduced the visitors, Mr. Alfred Jasper, president of the Arlington Heights Lions club, and Dr. Hill, president of the Des Plaines club, both expressed their pleasure at the move to form a club in Mt. Prospect and promised full support of their groups in the formation and operation of the local club. Mr. J. T. Schless, of Downers Grove, District Governor for the organization, spoke about the clubs in the surrounding district, and explained the purposes of the club, and the projects undertaken by the different groups. This explanation was supplemented by Mr. Joe Mullins, head of the service department in the International office of the Lions club in Chicago.

**Dr. Buck Tells Needs**

In the talk by which the discussion was opened, Dr. Buck outlined the needs of the village, with a description of what could be expected of a community where cooperation ruled, and of a community where jealousy and competition ruled. Following is part of Dr. Buck's statement:

"For any organization or club to be successful and enjoy long life three things are essential, namely, a necessity for its existence; an objective; and harmony and cooperation among its members.

"To illustrate the necessity for a Business Men's club and what it may accomplish, let me paint two pictures.

"The first is that of a village once thriving but now disrupted by factional politics, so that when any community enterprise or local improvement was suggested it was looked upon as merely another political or factional stunt. These factions were so bitter toward one another that if one of the good people went to a store it was immediately broadsided with a particular faction. In order to save further embarrassment this person finds it necessary to go to a neighboring town to trade, or even finally to move to another town where it is possible to trade where he chooses, and where he may purchase what he desires.

"What happened to that village after enough business and inhabitants had been driven away? The other picture is quite different. There are many people on the streets; the stores are full of customers and there is a general air of prosperity. There is a community or field house where community meetings, dances and other forms of entertainment are given for all the community. In this field house there is a gymnasium where the youth may enjoy indoor sports. Outside there is a swimming pool, a tennis court and a park for outdoor sports, so that

**Memorial Service  
Held in Memory  
Elizah H. Crofoot**

Memorial services were held from the Methodist Episcopal Church in Arlington Heights, Ill., on February 18 for Elizah H. Crofoot, who died from meningitis Feb. 15, which illness necessitating his early burial without the customary funeral service. Music dear to him was rendered and his good deeds recorded. Parts of the service program were such as he expressed as being dear to him and his family. Mrs. Stewart Alden sang the part of Mendelssohn's from "Elijah" that he was to have sung at Christmas time and was not permitted because of illness. A hymn was selected and beautifully sung by the choir and dedicated to his memory. Beautiful floral designs from various organizations of the church and friends from without were contributed as expressions of sympathy. W. L. Whipple, pastor of the church spoke on the "immortality of goodness," to a large audience who join the bereaved family in mourning the loss of a friend and co-laborer.

The obituary read at the service was as follows:

Elizah H. Crofoot was born in New York Dec. 3, 1888, and was married to Miss Corie Lamp, daughter of Mr. and Mrs. J. E. Lamp at Stewartsville, Minnesota, on June 18, 1914. During the same year he united with the St. James M. E. church while a resident of Chicago.

For eleven years without the loss of a day he continued in the employ of the D. O. James Manufacturing Company and resigned to enter business with his father in the J. B. Crofoot Company where he became vice president in charge of all office work.

After coming to Arlington Heights he united with Methodist Episcopal church where he became active as a steward and trustee and served for a faithful period as treasurer of the church. His church life was marked by punctuality and regularity and his counsel in church life will be greatly missed as it will be in business circles.

He was apparently a well man when dread disease attacked him and laid him low. He was conveyed to the hospital where the best of care might be given and was thought to be convalescing when the enemy of health again assaulted and claimed his victim who he fought valiantly.

Because of the nature of the disease it was necessary to remove the body to its last resting place in short time and so interment was made in Beaver Dam, Wis., on February 16, where among the mortal friends his resting place is marked.

Beside giving his business ability to the world he gave his voice in praise to God and was a faithful member of the choir of his beloved church and the community choral society where his vacant chair will be observed with much regret and sorrow.

He leaves to mourn his departure a beloved wife, a daughter, Doris attending college at Eureka, Ill., a son, Leonard, attending the local school, a father and mother, Mr. and Mrs. J. B. Crofoot and large circle of friends.

the younger people who are the voters and home-builders of tomorrow may expend their energies in the healthful clean fun of athletic and social nature, right at home.

"To this progressive and very much alive community people are flocking daily and building homes, in order to become members of such an ideal residential suburb of Chicago.

"You may ask—how did all this come about? The business men got together organized a social club, laid aside their differences and because of the harmony that was restored among themselves, civic pride was aroused throughout the entire community, and everyone put a shoulder to the wheel, with the result described."

**Decide To Become Lions**

Although the meeting was called for the purpose of discussing the forming of a Business Men's Club, the visiting Lions so enthusiastically presented their organization that it was adopted as the one to be formed. The speakers explained that the affiliation with an international organization, with 2600 clubs and with 80,000 members in the United States would be a great advantage in the development of a program, as experiences are interchanged among all the clubs. The idea of Lionism was given as "Mutual Helpfulness and Community Betterment." One of the principles stated was the elimination from meetings of all controversial questions, such as politics and religion.

Following the action of the group, in deciding to organize, the temporary chairman, Dr. Buck, was directed to select a committee for the working out of the organization plan, and method of operation, including the limitation of membership, and to call a meeting at a date in the near future at which the report would be considered, and the next step in the formation of the club taken.

The Peerless Cleaners have been incorporated and will hereafter operate under the firm name of "Arlington Peerless Cleaners and Dyers Co."

**EXCITEMENT AT  
FIRE IS CAUSE OF  
MAN'S DEATH****Heart Failure Kills Former  
Arlington Heights  
Butcher Sunday**

Fighting a fire which had started from spontaneous combustion in the basement and filled his home with smoke about 2 o'clock Sunday morning proved too much excitement for the weak heart of Otto Jahrling, 58, of Arlington Heights, who suddenly fell over dead as he went to wash up after the fire was out.

Having been in poor health for some time, Mr. Jahrling was not a sound sleeper, and was aroused by the smoke which failed to awaken the more soundly sleeping persons in the house. He went to the basement to investigate. Then he called his son-in-law, Albert Boyles. While the younger man opened the windows, Jahrling carried water to stop the fire.

Funeral services were held Wednesday at the Lauterburg and Oehl funeral home with the Rev. J. H. Ellerbrake of the St. John's Evangelical church officiating. Burial was in the Waldheim cemetery in Forest Park. Rites of the Masonic order were given.

For many years Mr. Jahrling was in business as a butcher in Arlington Heights. He retired about four years ago. He was a member of the St. Elmo commandery and of the Arlington Masonic lodge. He was born in Biebesheim on the Rhine, Hessen, Darmstadt, Germany, but had lived in Arlington Heights more than 30 years.

He leaves his wife, his mother, Mrs. Emma Jahrling, two sons, Carl and Otto, and three daughters, Mrs. Beatrice Boyles, Miss Eunice Jahrling and Miss Jacquelyn Jahrling, and a grand daughter, all of Arlington Heights and a brother and sister living in Germany.

**NEW TAX BILLS  
SHOULD BE LESS  
DATA INDICATES****Rates Increase 10 Pct.;  
Assessments Cut 25 Pct.  
Tax Details are Given**

The spring tax season has come around again, and Robert M. Switzer, county clerk, has announced the tax rates for the county. Although on their face the taxes seem to have increased about 10 per cent, they will actually be about 15 per cent less than the last bill, since all real estate valuations in the county have been reduced 25 per cent. The bills are for 1932 taxes.

The state tax rate has been increased from 39 cents in 1931 to 50 cents in 1932; the county rate from 52 to 58 cents; and the forest preserve rate from 11 to 14 cents. These amounts apply to the entire county. In addition each township levies taxes for township and road and bridge funds. In Elk Grove township this sum has risen from 30 cents in 1931 to 31 cents in 1932. In Palatine township it has increased from 21 to 25 cents; in Schaumburg township from 41 to 42 cents, and in Wheeling township from 26 to 30 cents.

The basic tax rate for each township is the sum of the state, county, forest preserve, and township taxes.

(Continued on page 2)

**County and State Open  
Road Bids Next Tuesday**

There will be considerable road improvement in this part of Cook county if contracts are awarded Tuesday with the opening of advertised bids. Work in this vicinity include the widening of State road in Arlington Heights by the county; widening of Dempster road east of Rand road; widening to 40 feet of Touhy Ave. in the village of Park Ridge; paving of Avondale Ave. from Edison Park to Bryn Mawr; construction of a ten foot sidewalk from Maine Township high school to Route 19.

**Thurman J. Dodge  
Is New Manager  
Of Lumber Yard**

C. F. Dodge, for many years of the Arlington Heights yard of the Tibbitts Cameron Lumber Company was retired last week and his place taken by Thurman J. Dodge, who has lived in Arlington Heights for many years and has been associated with the company since graduation from high school.

"The management of our Arlington Heights yard being one of the most important positions our company has to offer, his appointment is an evidence of the confidence we have in him," said F. P. Tibbitts, president of the company in the statement announcing the change.

**Scouts Compete  
In First Aid**

A crash, the tinkling of broken glass and you are roused from a sound sleep at an early morning hour. Upon arriving in the street you find an automobile crushed against a lamp post and the lone occupant is pinned under the car. His right leg is in an unnatural position and there are cuts about his face and hands. What would you do? The various teams of the Boy Scout training in First Aid will compete in the gymnasium of the Arlington Heights High School Monday evening, March 5. They are expected to know what to do and how to do it when such problems as the above are given them, but they must not only know what to do and just how it must be done, but they must do it in a certain time limit inasmuch as each specified problem will carry a given time and teams running over them will be penalized.

**Compete for President's Trophy**  
The competition will be between first aid teams from the various troops in the Northwest Suburban Council area. Their objective is the winning of the contest will be the President's trophy which is now being held by Troop 15, Niles Center, the winner of last year's event. The winning team will also represent the Northwest Suburban Council in a semi-final contest to be held at the Lincoln School gymnasium on March 16. This contest will be between the winning teams of Evanston, Northbrook, Waukegan and Northwest Suburban Council. The Patten Trophy will be awarded to the winning team of this event and they in turn will compete the following Friday in the Chicago Area Contest in Chicago. The Northwest Suburban Council team placed second in the Chicago contest last year.

**Everyone Welcome**  
It is expected that a large number will attend the contest at Arlington Heights when the program of entertainment has been arranged to supplement the contest. Everyone is welcome. The program will start at 8 p. m.

**Plan Joint Meeting of All  
Scout Committees**  
Another joint meeting of all the Council committees and district committees in the Northwest Suburban Council will be held next Monday night, Feb. 26, at the Maine Township High School in conjunction with the regular monthly meeting of the council executive board. A number of new men have been recently added to the administrative group of the council and the general purpose of the meeting will be to acquaint the men with their work and to plan the year's program. The meeting will be called to order at 8 o'clock by President Thomas M. Whitson. A brief general session will follow at which time the instructions will be issued to each committee as to matters awaiting their action. Following this each council chairman will assemble his particular group. The greater portion of the evening will be given over to these committee meetings. Various council chairmen are: Camping, chairman, H. H. Galkin, of Barrington; Civic Service, Edwin O. Goll of Park Ridge; Court of Honor, H. G. Warr of Park Ridge; Cubbing, C. C. Gregg of Park Ridge; Good Reading, C. S. Stewart of Des Plaines; Finance, Chas. Passmore of Park Ridge; Publicity, Samuel Rosenthal of Des Plaines; Sea-scouting, Elmer Zitzewitz of Park Ridge; Leadership Training, R. T. Sundelius of Park Ridge.

Just before the close of the meeting each Council committee will render a report of what has been accomplished and just how they will proceed to complete the work. Two such meetings were held during 1933 in the Northwest Suburban area and in each case they were very successful. A large attendance is expected at the coming affair.

**Telephone Service  
Means Fire Protection  
for Rural Residents**

Prairie View, Ill., R. R. II. Mr. G. L. Wilburn, Manager, Bell Telephone Co. My dear Mr. Wilburn,

Not knowing just where to send this letter I am taking the liberty of addressing it to you. We had a disastrous fire on our farm Feb. 1-34 at 4:30 p. m., with our telephone service we no doubt would have been wiped out completely.

This note is to express our appreciation for the very efficient service which the operator on the switch board at the Lake Zurich gave us. She had two volunteer fire departments and neighbors from miles around in just the time it would take them to get here. This help saved our house, garage and implements. When I tell you the damage was all done in one hour you may know how fast and efficiently she worked.

I feel that the Company should know their efficient girls as well as inefficient—the latter of which I fear get most of the public's attention.

Very sincerely,  
(Name supplied on request.)

**Well Driller Dies**

Henry Luebbe, known throughout Lake county as a well driller, and a life-long resident of the Evanston and Mundelein district died suddenly at his home near Mundelein last week.

**A Little Baby,  
And A Wife,  
And A Judge**

This is the story of a baby, of a kindly judge, and of a woman wronged but without rancor. The judge is William E. Kopplin, police magistrate of Arlington Heights. The child, the woman, and the others shall go unnamed for the child's sake.

It seems that there is living somewhere in Chicago a little family, man, woman, and child. The man and woman met just about two years ago in Arlington Heights where he was brought by business and she was visiting her sister. First they lived in another state, now their home is in Chicago.

The baby is some two months old, but its parents were never wed for its father was already married. He deserted his wife to live with the "other woman."

And this is the case which came before the judge yesterday. The judge could have heard evidence and bound the man over to the grand jury, starting him on the path towards a prison sentence for adultery, or for violation of the Man act. But he did not.

He talked to man and wife informally, told of the stigma of illegitimacy brought an innocent child, of the child's future, not of the parent's past.

The wife, not revengeful, agreed to take \$1 a day until she could get a divorce, allowing the court to rule for her care and letting the father remain to give the child his name.

**RETAIL PRICE  
OF MILK CUT  
BY DAIRYMEN****Price Lowered to 9 Cents  
Quart; Effective Locally on March 1**

Following the lead of Chicago dairies who today are cutting the price of milk to 9 cents a quart, local dairies have announced that they will make a similar price reduction effective March 1. The local distributors will make no change in their price of 6 cents a pint, to which the Chicago men are cutting their rates from 7 cents.

When milk prices were reduced by local independents from 11 to 10 cents back in December, the Chicago dairies continued the 11 cent price for six weeks after it had been abandoned here. Some suburban dairies never did raise their scale to the 11 cent rate.

The change in milk price will not affect the farmer. This time it is the dairymen who are taking the cut, although they are expected to pass at least a part of it along to their workers in reduced salaries. Negotiations between the Chicago dairies and drivers are now in progress.

In all past price cuts the decrease has been passed on by the distributor to the farmer. This time the price is being cut to compete with the cut-rate distributor and cash-and-carry milk depot without affecting the \$1.75 fluid milk rate set by arbitration after the close of the January milk strike.

While licensing distributors to enforce the wholesale milk price, the federal government is not attempting to regulate the retail price of milk as was tried in the milk code set up last fall, repudiation of which led to the milk strike.

**Boy Is Hit by Auto  
While on Way Home**

George Cramer, 8 years old, while on his way home from school Monday afternoon, was struck at Plum Grove and Central roads by an auto driven by Edward Tomaszewski and thrown almost 30 feet. Examination at the Community hospital, where the boy was taken, revealed no serious injuries, although the boy suffered from cuts on the face and knee and concussion of the head.

The accident occurred when the child stepped out from behind an auto parked at the side of the road, according to the driver of the auto which struck him.

**Carl Ewert Now Hangs  
His Hat in Arlington**

Carl Ewert, proprietor of the Arlington Bootery, is now residing in Arlington Heights, occupying one of the apartments in the Landmeier building. He is now really and truly an Arlington Heights citizen and nobody can again pin a Des Plaines label on him. He has thought Arlington Heights so long that we can see little change in him, but local people will welcome Mr. Ewert, who already has a large acquaintance in this community.

**LOAN CONTRACT  
WITH UNCLE SAM  
AWAITS ACTION****Contract with Terms and  
Conditions for U. S.  
Loan in Wash'ton**

The release of \$50,000 in public improvement work in Arlington Heights under the terms and conditions of a contract that has been approved by the village, await the final approval of the government officials at Washington. Uncle Sam some time ago approved the loan and forwarded to the village a contract, which was immediately approved by the village and returned to Washington. The contract provides for the passing of required ordinance for the improvement and the issuing of bonds. However, any further action on the part of the village depends upon final action in Washington.

The above was the report made by Attorney Hugo J. Thal, to the village board members Monday night.

**Read Liquor Ordinance**  
The proposed Arlington Heights liquor ordinance was read "in blank" to the board members by Mr. Thal. Decision on the amount of license fee, opening hours, location, etc., will be necessary before the ordinance can be passed.

The clerk reported applications by tavern keepers for permit to erect beer signs. He was directed by the president to refuse all such permits until after the liquor ordinance becomes effective.

The attorney was directed to prepare a resolution authorizing the treasurer to maintain a separate fund in the Des Plaines National Bank for the payment of tax anticipation warrants when money is available.

**Village to Move Own Hydrants**  
Mayor Plentice reported that contracts would be opened by the county next Tuesday for the widening of State road from Center road, north to Thomas street. The specifications give the village the authority to move its own hydrants, the contractor to provide \$2,500 for that purpose. However the village can only collect for the exact cost of the work and will be allowed no profit on the job. The contractor will be required to furnish new trees for those that are destroyed by the improvement.

**No Joy Riding in Police Car**  
There can be no joy riding in the new Arlington Heights police car as the board approved the recommendation of the police committee that no one should ride in said car, aside from the officer on duty.

Delinquencies in water bills totaled \$785.55 for 135 consumers, upon whom five day notices had been served.

The sewer committee reported that drainage conditions on west Campbell street are being greatly improved by the CWA workers, who would need another week to complete the job.

A request was ordered sent to North Western R. R. for permission to drill in holes on south side of highway east of Seating Co. Payroll and bills, including the cost of new police car amounted to \$2,005.04, which were allowed, payment to be by warrants wherever possible.

**Business Licenses Receipts**  
A report on business licenses for the past year was presented to the board, the report showing a total of 15 licenses being issued. Seventeen beer licenses brought in \$2,075 to the village, while the other 119 business houses paid a total of \$1,378.38. Some of these fees were paid by outside business firms operating trucks in the village.

**Palatine Kindergarten  
Opened Last Monday**

Despite severely cold weather, 23 children were on hand Monday morning for the opening of Palatine's kindergarten. In the first week of its operation a total of 24 pupils have been enrolled for the class. This is about 10 less than the estimated number of children who will enter the first grade here next year and to whom the kindergarten has been limited.

All the available chairs and table space is being used by the group which is under the direction of Mrs. Ralph Stroker, teacher assigned to the class by the CWES which is paying her salary. Equipment and materials are being furnished the class by the Palatine Kindergarten association, of which Mrs. Paul D. Wilson is president. The school furnishes only quarters, light, and heat.

Because of limitations in space and equipment, the class was limited to children who were 5 years old before January 1, and so will be eligible to enter the regular school next September. School authorities report that the kindergarten got off to an excellent start and is getting along very nicely.

**Dance to Follow Arlington  
Heights, Libertyville,  
Game March Second**

While particularly Palatine and Barrington are hoping that Arlington Heights takes Libertyville into camp next week Friday, word comes from that town that a colored orchestra from Harlem will furnish the music for a dance following the game. Tickets are 25 cents.

**Local Autoists Rush  
for Village Vehicle  
Tags as Chicago Hits**

The license drive being made by the city of Chicago against autoists who still display their 1933 state and city vehicle tags is being felt in Arlington Heights, where an unusual number of village tags are being sold. A car from the suburbs driven in Chicago, must display a 1934 local tag or be subject to arrest. The tags are obtainable at the municipal building and cost \$3 for 25 h. p. or less, \$4.00 between 25 and 35 h. p., and \$5.00 over 35 h. p. No dead line for procuring these tags has yet been announced, but it will not be long now.

Dog tags are also on sale at the municipal building and cost \$1.50 each.

**TOWNS GROUP  
HITS CHANGE  
IN ELECTIONS****New Law Provides for  
All Village Officials  
At One Time**

The entire officialdom of a community should not be elected at one time, members of the Suburban Area and Country Towns association declared at a meeting in Evanston last week. At the meeting the organization decided to take whatever steps are necessary to amend the present municipal election laws.

These were changed at the last meeting of the state legislature so that village officials, elected this spring are to hold office for a term of only one year to cause them to go out of office at the same time as the men elected for two-year terms last spring. Then in 1935 a complete slate of village officials is to be up for election to a simultaneous two-year term.

The change is opposed by many local officials who point out the danger of the possibility that all of the old officials might be turned out at an election and an entirely new group of inexperienced men put into office.

The principle of having only a part of the members of a governing body up for election at one time long has been established in American governmental bodies. In the house of representatives only one of the two members from each district comes up for election at any one balloting. Half of the house is always composed of men who have had at least a year of experience. In the senate only one-third of the members have their names placed before the voters at one time so that two-thirds of the membership is always composed of experienced hold-overs.

Until the passage of the recent act the same principle was followed in village government. Three of the six members were elected each year for a two year term. The other half of the membership held over.

**Mrs. Maria Kublank  
Was a Daughter of  
An Early Pioneer**

Mrs. Maria Kublank, for whom funeral services were held in Palatine Sunday, was the daughter of one of the early pioneers of this area. She was more than 90 years old at the time of her death February 14.

The daughter of John and Catherine Sunderlage, she was born on September 30, 1843, on the homestead which her father procured from the government in 1838 and which was a part of the territory which he had helped survey in 1832-35. She was baptized by the Rev. Engebach, who served the congregation at Plum Grove.

Before the organization of the public school system in 1850 she attended private schools, such as that of William Winston Smith, a near neighbor, and the Sunday school classes conducted by the grown-up daughters of neighborhood settlers. In 1859, when she was confirmed, the Rev. Lehman was in charge of the Plum Grove church.

On May 5, 1867, she married William Kublank. The couple had 8 children. A daughter Doris died in 1882, and another daughter, Bertha, died in 1911. Mr. Kublank died in 1918.

The children now living are Herman Kublank of Chicago, Mrs. Emma Westrope of Palatine, Matilda Kublank, Rose Kublank, William Kublank and Edward Kublank, all living on the old homestead, south west of Palatine.

Mrs. Kublank also left sister, Miss Anna Sunderlage of Barrington, and two brothers, August Sunderlage of Elgin and Albert Sunderlage of Madison, Wis.

**Arlington Hts Loses  
Local Western Union  
Telegraph Office**

The independent office maintained by the Western Union in the Vail-Davis building has been closed and telegrams are handled at the C. & N. W. depot as in former days before the advent of the new building. No explanation was given by the company of the change but it is presumed that lack of patronage can be blamed.

**BOARDS PLAN  
FOR UNIFORM  
LIQUOR LAWS****Officials of Adjoining  
Communities Meet to  
Discuss Act**

Following a meeting in Arlington of the board of officials from Barrington, Palatine, Arlington Heights, and Mount Prospect, uniform liquor ordinances are being considered in each of these adjoining communities.

Additional liquor regulations made by the legislature held up the passing of an ordinance by Arlington Heights, while the Mount Prospect board was scheduled to meet last night to discuss the question.

The new legislation contemplated by the Village will include the control of the sale of beer, as well as the liquors of higher alcoholic strength. The new ordinance is made necessary by the recently enacted state law which outlines rather specifically the duties and powers of the various governmental bodies, and how they must function. In addition to creating an Illinois Liquor Control Commission, for the general oversight of law enforcement, provisions are made for local control authority in every community.

**Provisions Outlined by State**  
Some of the provisions of this state law are as follows:

The State Commission may call on any county or local officials for assistance in obtaining enforcement; must report annually to the Governor; must inspect or have inspected any premises where liquors are sold and is required to hear and act upon appeals from decisions of local control authorities.

Local governing bodies have the power to pass laws governing the number, kind and classification of licenses to be issued, and the fees to be paid.

The President of the Board of Trustees of the Village is the local liquor control commissioner, and may appoint a person or persons to assist him in the exercise of his powers. These powers include authority to grant or revoke for cause all local licenses; to enter or authorize any law enforcement officer to enter licensed premises at any time to determine whether regulations are being violated; to receive local license fees; to receive complaint from any citizen and act upon such complaints; and to examine, under oath, any applicant for license or renewal, or any licensee upon whom notice of revocation has been served, and to examine books and records of all such licensee or applicant.

**No Liquor On Credit**

Further provisions are that: No liquor shall be sold on the day of any national, state, county or local election; during the hours the polls are open; licensees are prohibited from making any campaign contributions; no liquor shall be sold on credit; a husband, wife, child, parent, guardian, employer or other person injured in person or property by reason of intoxication of any person shall have right of legal action against any person who sold or gave liquor which caused or contributed to the intoxication; place where liquor is sold must be well lighted and in full public view; no licensed premises shall have a bar or counter where customers may purchase and consume liquor, excepting in the case of lunch counters where the serving of meals is at all times the principal business; no licensee shall use the words "saloon" or "bar" in any sign or advertisement; any five residents may file a complaint, which must then be given public hearing before the local control commissioner.

**Glen Elyn Bank  
Applies for \$75,000**

Frank J. Bogan, receiver for the Glen Elyn State Bank, has made application for a loan of \$75,000.00 to the Federal Deposit Insurance Board for the purpose of paying preferred claims, also paying off the balance due the RFC, which amount has been reduced from \$75,000 to \$25,000.

In addition to paying these obligations, the sum asked for will allow, if granted, approximately a 20 per cent dividend to the depositors.

The appraisal of the assets of the bank for this purpose is now being made by the DuPage County Special Advisory and Appraisal committee which is serving without remuneration. It is composed of the following:

Edward G. Venard, Downers Grove; C. W. McDonald, Sr., Wheaton; E. T. Moyer, Naperville; H. C. Thompson, Roselle; George T. Jennings, Glen Ellyn; William Cunniff, Bensenville; and Edward H. Blatter, Elmhurst.

**Celebrates 91st  
Birthday at Elk  
Grove Last Sun.**

Grandma Becker celebrated her 91st birthday with her son, E. H. Deike of Elk Grove, Sunday

# ARLINGTON HEIGHTS

What is the news? Not safe to bet on flocks of robins coming yet; A spread of snow and zero weather. Don't lay off workmen altogether. We take note that we must buy a new running up the scale skyhigh. News this week here we must relate.

That death has made homes desolate. There is much good and much that's bad.

Joy for the good, tears for the sad.

Mrs. Chas. Lips is ill.

Henry Krohn, of North Dunton is moving to Des Plaines.

You know the old saying "No news is good news." Let us think of it that way.

Problems concerning our state and nation give us little time to consider home affairs except when the bills come in.

Saw two boys on skis holding a rope that was fastened to a speeding automobile, and didn't they skid? That's a new way to get a sleigh ride.

News? Why isn't it news to tell your friends that you see a garden of bright beautiful flowers blooming in Heider's window when you pass by? The question is how does he keep them from freezing.

Mr. and Mrs. Clyde W. Meridith from Moline, formerly resident here, spent the week-end with the Herbert Hall family on South State Road.

Mrs. H. C. Fricke, wife of Pastor Fricke, was shut in last week on account of illness. We trust she is better now.

Mrs. Caroline Fieno spent two or three days last week with her daughter, Mrs. Herman Behn, and family on their farm.

Mrs. Charles Lips has been shut in the past week or more with a severe bronchial cold.

Mr. and Mrs. Edward Fritz were dinner guests of friends in Chicago, Sunday.

Mrs. G. H. Peters and her little grandson, Buddy Framburg, visited relatives and friends in Chicago Sunday.

Mrs. Andrew Fimbach of Buffalo Grove, is in the Palatine hospital for surgical treatment.

Mrs. O. G. Bolte entertained a group of friends in her home on South Vail, Thursday. Cards and a pleasant social time with a few intimate friends.

The death of Mr. Otto Jahrling was a shock to his old time customers. Though he has passed thru many of life's hard vicissitudes, we recall the time when he came here, a bright well equipped and efficient dealer and preparer of meats. He was always courteous and obliging. He had recently been employed at Barrington.

Mrs. Sachs has been employed for the past week in the Palatine hospital.

Sorry to learn that Jimmie Lunz, the son of George Lunz, an old time resident here, is now in a St. Louis hospital for surgical treatment. We heard of this from his aunt, Mrs. H. M. Blume, who thinks Jimmie's ailment is serious indeed. He spent some time with his aunts here a few years ago, and we remember him as a bright pleasing youth.

We are glad to hear that veteran, Mr. Robert Reed, is recovering from a recent attack of severe cold.

Mrs. Swain of Madison, Wis., is a guest of her brother, Archie Fessler, and family this week.

Mr. and Mrs. Emil Willert and family who for several years, have occupied the old Casper Oeflein place, have moved into a new home farther southwest in town.

Miss Jackson returned to her of-

cial duties Friday last week, after a rather unpleasant three months of testing doctor's skill. Her many friends are glad to welcome her back on the place, but trust she will be careful not to overdo.

Miss Irma Hoffman, who has been very sick following an operation on her eye is back at high school.

Mrs. Willie Wilke entertained The Social Five Hundred in her home Thursday afternoon.

Cousins of Mr. Joseph Melzer, driving through here from Iowa, called on him in his home last Sunday. Just a flying call as it was to let him know they did not forget.

Mr. and Mrs. Paul Busse and Mrs. Storch came from Chicago Tuesday to attend the funeral of Mrs. Charles Taage.

Did you hear anything that sounded like a merry sleigh ride Tuesday evening? If you didn't know, it was the sellers of the Christmas Seals, who by their fine success, won a real sleighride—a royal treat they appreciated.

Mr. and Mrs. Stoltenberg from Chicago, came out Sunday to call on their grandfather, Mr. Robert Reed. Mrs. Stoltenberg is the daughter of Gertrude Reed.

Miss Lilian Russell and her sister, Miss Irene, entertained a group of old time friends from Wisconsin over the week-end. These friends were storm bound enroute to Florida and were glad to find a welcome in the Misses Russell's hospitable home.

Mrs. Simon Mitchell has been shut in for some time on account of an injury to one of her hips received by a fall at the time of her visit to her home at Hunt, about the holiday time.

The kindergarten class curious to know just how the government carried Valentines to their destination and where they were kept in the office were taken by their teacher, Miss Johnson, to the local postoffice where Postmaster Helfers let them see the interior furnishings of the office and where the Valentines were deposited. The children saw the individual boxes with speculative wisdom went out and procured an orange crate covered this with paper, then marked it off like bricks with a piece of hole inside, so each one had an individual private box for the Valentines. Now who shall say the children of this generation have no inventive genius or lack ability to make use of the material within their possession?

Miss Lois Bolte, daughter of the H. C. Boltes of South Vail street and a senior in the high school, went out for a hike Sunday evening. When she got home was she surprised? A company of the girls in her class had gathered to help her celebrate her 17th birthday. The group brought her a fragrant bouquet or sheaf of just the right number of roses, other gifts to express their love and good wishes. There were choice refreshments and just the sort of merry good time girls know how to enjoy.

In the passing of Mrs. Taage last week, many of us have lost a loving cherished friend; her husband and children have lost the very heart of their home. The church and community have lost an ideal

## Candidate Notices

For rates on insertion of candidate notices in this count, phone 15.

Candidate for Committeeman To the Democratic Voters of Precinct No. 3, Wheeling Township: I am a candidate for Regular Democratic committeeman in the third precinct of Wheeling township. I have resided in this township all of my life and have seldom asked for political preference. During the last campaign I tried to do my part for the success of the party and I am ready to repeat that service. The success of the party, itself, is of special importance next fall and should have special thought when the Democratic voters go to the polls at the primaries.

WILLIAM E. MEIER.

To the Democratic Voters of Precinct No. 4, Wheeling Township: I herewith announce my candidacy for the office of Committeeman of the above precinct, and respectfully solicit the support of the voters at the Democratic primaries. I have been a resident of the township for some time. On account of my work and association with various county officials and acquaintance with the general public from all parts of the county, I feel that I can be of real service to the precinct.

GEORGE OLCSE.

Nightingale Is a Traveler The nightingale will travel thousands of miles on its journey to its destination and each individual bird will usually succeed in reaching the wood in which it spent the previous summers.

home maker, an ever ready helper in every good cause. The world can never be the same. Since she is here no more; So quick to help, so slow to blame. All those who sought her door, God comfort those who mourn her here.

Who linger long and wait To hear her steps, her voice so dear, In their home now desolate, In her new place no grief can come Nor partings cause her pain Happy today in that first home, Your loss is her blest gain.

The local garden club met for their regular meeting Wednesday last week in the home of Mr. and Mrs. Paul E. Patrick, West Hawthorne street. Mr. Paul had been unable to secure the speaker he had planned to have for this meeting, so with the zeal of an ardent lover of garden lore, had secured a book giving all possible wisdom for scientific and even practical gardening from which he read, interesting and helpful suggestions to the company, making his entertaining reading so full of information the audience wished to hear more of the book. All were interested to see Mr. Patrick's green house and witness the process of his propagating and cultivation of plants. There was a good attendance all looking forward to the next meeting when spring will inspire all garden fans to large ventures.

Mr. and Mrs. G. F. Peterson made a business trip to Milwaukee this week. A pleasant trip and agreeable in a business point of view.

Mrs. Fred Schmitt of North Chestnut street, is the pleased recipient of a plant of the Pitcher plant family, from a friend who secured it from an exhibit of rare plants at the World's Fair last year.

## MORE ABOUT TAX BILLS

(Continued from page 1) To Compute Taxes

To compute his tax bill from the following tables, the taxpayer must multiply his assessed valuation by the tax rate and then move the decimal point two places to the left. His tax rate is determined by adding the basic rate for the township to the high school district, grade school district, and village (if any) within which he is located.

Thus a man having his property located in the Village of Palatine and assessed at \$1,000 would add the basic rate, \$1.17; village tax, \$1.00; high school tax, \$1.38; and grade school district 15 tax, \$0.84 to get his tax rate, \$4.39. Multiplying his assessed valuation of \$1,000 by the rate results in the amount of his 1932 tax bill, which is \$43.90.

CARD OF THANKS

We wish to express our heartfelt thanks to the relatives, friends and neighbors for kindness and sympathy shown to us during our recent bereavement.

Mrs. Otto Jahrling and family.

NURSING CLASS ORGANIZING

A home nursing class is being organized in Arlington Heights under the direction of the American Red Cross. It is open to anyone interested, particularly mothers. Classes will be held from 9 to 12 o'clock every Wednesday morning in the Arlington Heights public library, with the first class February 28.

## CHURCH ANNOUNCEMENTS

LUTHERAN CHURCH

Pastors C. M. Noack, 115 W. St. James; tel. 108-W. H. C. Fricke, 304 Douglas; tel. 278-W.

Sunday Services Sunday school, 9:30 a. m. German Lenten service, 9:30 a. m.

English Communion service, 11 a. m.

Mid-Week Service English Lenten devotion, 8 p. m. Topic: "What Jesus Did For Judas." Illustration: "The Kiss of Betrayal."

Notes The first English Communion service of this year will be held Sunday. Registration at the home of Pastor Fricke Friday afternoon and evening. "The Joy of Believers" will be the sermon topic.

Friends of good music are invited to attend a sacred concert given by the Valparaiso Student chorus under the direction of Prof. Schewepe, Sunday, 8 p. m., River Forest gymnasium. The chorus has established an enviable reputation for its choral work and music critics throughout the country are profuse in its praises. Take our advice and hear these trained young singers. You will be delighted and spiritually thrilled. Tickets may be secured from Mr. Ernst for 35 cents.

Tuesday, 8 p. m., Adult membership class.

Wednesday, 8 p. m., Third English Lenten service. These services have been arranged to arouse a deeper devotion in the facts of Christ's Passion. Your soul will be benefited by attending these Lenten devotions in memory of the Crucified Redeemer.

Thursday, 7:30 p. m., Junior Bible class, 8 p. m., mixed chorus.

Friday, 8 p. m., Rehearsal of the L. L. club. It is important that every member be present.

FIRST M. E. CHURCH

W. L. Whipple, Minister

Dunton Ave. at Freemont Sunday school 9:30 a. m. Sunday service 11 a. m. Wednesday evening meeting 8:00 p. m.

Reading room open Wednesday 2-4 p. m., Fridays 7 to 9 p. m.

CHRISTIAN SCIENCE CHURCHES

"Soul" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 18.

The Golden Text was, "Rejoice in the soul of thy servant: for unto thee, O Lord, do I lift up my soul" (Psalms 86:4).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "How able are thy tabernacles, O Lord of hosts! My soul longeth, yea, even fainteth for the courts of the Lord; my heart and my flesh crieth out for the living God. For the Lord God is a sun and shield: the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly" (Psalms 84:1, 2, 11).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Soul and Spirit being one, God and Soul are one, and this one never included in a limited mind or a limited body. Spirit is eternal, divine. Nothing but Spirit, Soul, can evolve Life, for Spirit is more than all else. Because Soul is immortal, it does not exist in mortality" (p. 335).

Fusing Copper and Silver In 1742 Thomas Boulsover, while mending a knife, accidentally fused copper and silver and after experimenting with this started a small factory, but made nothing more than knife handles, snuff boxes and harness buckles. It was not until 1760, during the reign of George III, that manufacturing of domestic articles in large quantities was begun.

Jailed for Non-Payment In 1830, according to a report published then by the Boston Prison Discipline society, they were jailing 10,000 persons annually for nonpayment of debt in New York; 7,000 in Pennsylvania; 3,000 in Maryland, and 3,000 in Massachusetts.

Body Temperature Normally the body temperature of a white man is from half to one degree centigrade higher in tropical than in temperate climates.

Don't Suffer from Sour Stomach, Indigestion

If stomach GAS prevents sleeping on right side try Adlerika. One dose brings out poisons and relieves gas pressing on heart so you sleep soundly all night. Leading druggists, Mt. Prospect Ph., Mt. Prospect; Alfred Dahl Bensenville; Itasca Drug Store, Itasca, don't suffer—

## South Side Breezes

Mrs. C. Eversole and daughter, Mary, went to Gardener, Ill., Wednesday. Mary remained for a few days with her grandmother, Mrs. Wheeler.

Mrs. Hugo Behel entertained her pinochle club Thursday afternoon.

Another group of pinochle fans will meet Friday evening at A. G. Hasemann's on So. Evergreen.

Calvin Hoyt had a group of his friends in last Friday evening to play pinochle.

Miss Mary Lucile Barrett went to Michigan Wednesday to visit her grandparents for a few days.

Mr. John Monroe made a business trip to Oshkosh and La Crosse this week.

Mr. and Mrs. Chas. Grandt and children and Mr. Albert Neumann had Sunday dinner with Mr. and Mrs. Fred Utradel. They spent the afternoon and evening with Mrs. Henry Grandt, Jr., in Wheeling. Mrs. Henry Grandt was celebrating her birthday.

Mr. and Mrs. George Pfingster and June and Mrs. Samuelson spent the week-end with relatives in Madison, Wis.

The Gleaners Circle will meet Feb. 28, at the Methodist church. The Fidelis Circle will entertain the Gleaners at a social evening, Tuesday, Feb. 27, at the church.

Mrs. Frank Sauer and Mrs. C. Hoyt visited their friend Mrs. Pratt in Chicago, Thursday. Mrs. Pratt formerly lived on South Mitchell.

Schoppie Bros.

Palatine, Ill.

day.

The Palatine Parent-Teacher association will hold a bakery sale starting at 3 o'clock Saturday afternoon in Matthei's store.

August Rohde had several stitches taken in his forehead to close a wound resulting from a fall on the ice.

Mr. and Mrs. William Kobe, Jr., Mr. and Mrs. N. L. Thompson, and sons Jack and Don were Sunday afternoon and evening guests of Mr. and Mrs. Fred H. Wildhagen.

Miss Lydia Wienecke is convalescing from her recent illness.

Palatine's schools were closed Thursday in honor of Washington's birthday.

Mr. Hughes, Sr., aged 76 years, is recovering from a recent attack of pneumonia at the home of his son, Ernest Hughes.

Sutherland Woman's Relief corps had a patriotic program at the close of their meeting Friday night. The Boy Scouts were guests and gave a sketch of their work. Those taking part were George Minibarger, scoutmaster, Joe Ketterman, flag bearer, and Scouts William Thompson, George Stange, Harlow Smith and Charles Buenzow.

Mrs. Ethel Godknecht has been confined to her home with a severe cold.

Mrs. Bertha Buenzow returned home from the Sherman hospital at Elgin, last Saturday and is at her home convalescing from a serious operation.

Little Miss Marion Birks entertained 15 little girls in honor of her birthday Tuesday afternoon. Games were enjoyed after which a birthday spread was served.

George Wienecke, G. Fellankamp, Cecil Meyers and Clifford Shlev attended the Odd Fellow district meeting at Highland Park, Tuesday evening.

Mr. and Mrs. George Stroker and Mr. Herman Stroker, of Chicago, attended the funeral of their aunt, Mrs. Kublank, last Sunday.

Mrs. Luella Irons has left the Billings Memorial hospital and is at the home of her mother, where she can receive treatments.

Mrs. Elmore Foster attended the funeral of Mrs. Minnie Nichols in Chicago Saturday. Mrs. Nichols was well known in the Woman's Relief corps and for the last 12 years has been assistant department secretary for the Grand Army of the Republic.

Mrs. Emily Hahnfeldt will have a card party at her home Wednesday, at 2 p. m., given by the members of Sutherland Woman's Relief corps whose birthdays occur in February. "500" and pinocle will be played. Prizes, eats, 25c.

The Palatine Garden club will meet with Mrs. Elmore Foster Tuesday, at 2 p. m.

Mrs. Elmore Foster has tickets for sale for the annual flower show to be held at the Navy pier April 7-15. By purchasing these tickets in advance, there is a saving. Tickets are 50c.

Betty Lou Harmering, daughter of Mr. and Mrs. Fred Harmering of Chicago avenue, has the mumps.

Mrs. Mary Taylor, mother of Mrs. George Matthei, is doing as well as can be expected.

Mr. and Mrs. H. Buenzow and daughter, spent Sunday in Chicago with relatives, celebrating Mrs. Buenzow's birthday.

Mr. and Mrs. W. S. Dollinger were dinner guests in Chicago at the Arthur Warriner home, Sunday.

Mrs. Mary Richter, mother of Mrs. John Mangels, is doing nicely. Mrs. Mangels has been kept at home many months caring for her mother.

R. C. Cochenour, of Decatur, came after his wife and son, who have been with her folks, Mr. and Mrs. Robert Kimball, two weeks. He came Wednesday and they went home Thursday morning. Bessie spent Monday and Tuesday in Chicago with relatives and friends.

Mrs. Paul Wilson spent Tuesday home of Mrs. Clarence Collaigh in Chicago.

Jesus and the Beautiful

This is the second Sunday in Lent. We never make a special effort for the Lord but in return He makes a special effort for us. Should we not make a special effort to be in His house on this Sunday and the Sunday following? Perhaps we must give up something but He will give us something better in its place.

Your Minister will speak on the subject, "Jesus and the Beautiful." Perhaps the Lord through His servant has a message for you. We hope that you will try to come.

ST. PAUL'S EVANG. CHURCH

Rev. John C. Voeks, Pastor

Sunday, Feb. 25:  
Sunday school at 9:30 a. m.  
Morning worship in English at 10:30 o'clock.

Lenten devotions in English on Thursday evening, March 1, at 7:30.

On account of the storm the evening service of last Sunday was postponed a week. This service in celebration of the anniversary of our missions will take place Sunday evening, 7:30 o'clock.

We will receive a free will offering for missions.

You are welcome.

Question Box

What do you think has been the most exciting athletic event our school has had during the past few years, and why do you think so?

Eltona Krieff—The most exciting game that I have witnessed was the Palatine-Antioch basketball game two years ago when they played and defeated Antioch in three overtime periods. In the first four minutes of play Antioch was leading 15-0. Then Palatine changed their defense and caught up by playing clever ball. At the end of the game the score was 36-36. At the end of the first overtime period the score remained the same. The second overtime period gave a score of 38-38. The team to make the basket in the next period would win, and Palatine made it. It was a hard fight, as two of the star players were out on fouls. This game stands in the history of P. T. H. S.

Dorothy Shermer—My knees are still quivering from the excitement of that great one point victory over Heights a week ago last Friday night. Never before have I witnessed a sports event that so enthralled me, and for a time, even one of our so-called talkative sex couldn't talk.

Winifred Krambler—To my way of thinking there have been many exciting games, especially with Arlington Heights. I think the most exciting of any took place two years ago when Palatine played Antioch in basketball. There were three overtime periods. The reason for the game being so good was that Antioch had just won the tournament, and Palatine with a supposedly weak team, won the game by two points.

Frank Frohne—During my three years in high school, I have seen many exciting basketball and football games. The game that is outstanding in my memory is the Palatine-Leyden football game, played at Leyden. Up to the time Palatine had not won a game, while Leyden was leading the race with first place. Palatine finally won the game by a score of 14-13. The game was a very interesting and exciting game from beginning to end.

Frances May Cropper—I think the most exciting athletic event our school has had in the past few years was beating Arlington on Feb. 9. The two towns always were, and always will be great rivals, and it means a lot to the town, to be victorious. We haven't had as good a team as we have now, for a long time, and they surely do play real basketball.

Agnes Cherry Reads To Students of P.T.H.S.

The Lincoln-Washington assembly program was a great success. Miss Agnes Cherry, a friend of Mr. Her was the star of the program. She gave two readings. One depicted the southern life of a little girl during the Civil War. Her delivery was so touching that many of the students were crying one minute and laughing the next. Her clever delivery of an imaginative story had the whole assembly in a state of laughter.

Miss Cherry has traveled all over the United States. She was able to really study the parts in her readings and enact the parts of the characters true to life. Before delivering her readings she tried to get her audience in the mood to better appreciate the work. Her work was greatly appreciated and we hope she will again come to Palatine high school.

Verna Rason

Volley Ball Games Won by Juniors

After a let down in attendance last week, considerably more girls were present at the gym class last Friday after school.

Volley ball was the main event of the day. The first game was the Fresh and Seniors vs. the Sophomores and Juniors. The Sophs and Juniors were victors in a very close and exciting game, the score being 21-19. The second game was played with the Freshmen and Sophomores vs. the Juniors and Seniors. The Junior and Senior squad won by a score of 21-6. After the games, the rest of the time was spent shooting baskets.

Virginia Helgeson.

Home Ec. Gives Tea In Honor of Mrs. Her

Wednesday afternoon, Feb. 14, the Home Economics club gave a tea in the community room in honor of Mrs. Her and for the mothers.

A program was given beginning at 4 o'clock. The girls of the sewing class modeled their cotton dresses, Dorothy Weiler read, "The Volunteer Organist," and Henrietta Meyers played a piano solo.

Open-faced sandwiches, cake, and tea and coffee were served. Everyone enjoyed herself greatly, and each had opportunity to meet people she had never known before.

Louise Wentz

I Wonder

If Miss Cook found the snow wet Sunday.

If there is any truth to the rumors that the orchestra will broadcast soon over Mr. Kay's amateur radio set.

Who the little boy was that was so nervous about getting his name in the Spotlight.

What some of these girls will do after the basketball season is over. Oh well, there are still the alumni games.

Who a certain girl was, who was powdering her nose when an English instructor informed her to "polish the inside before polishing the outside."

Who ever heard of polishing noses?

What the cause was of the dance orchestra almost breaking up.

Who the stool pigeons are who are so interested in the affairs of the basketball players.

What a certain few girls would do with those "certain Alumni boys."

So They Tell Me

Irving H.—Read us some jokes.

Miss Jumps—No, I'm looking at jokes all day.

Miss Hackbarth—What are the two plots to a novel?

Eddie H.—The main plot and the sub plot.

Leighton M.—No, there are three. Coffee plots.

Palatine undoubtedly will play Barrington in the District Tournament at Crystal Lake next month. A game between these two towns would be worth seeing.

The rings for the Junior class have been decided upon. They expect to get their rings some time in the next few weeks.

Don't Sleep on Left Side—Affects Heart

Indigestion, acidity, heartburn and sour stomach often lead to serious stomach trouble. Dr. Elmer's Ada Tablets counteract these conditions. Give quick relief. Leading druggists. In Palatine by O. A. Schroeder, druggist.

PALATINE

Russell Shepherd of Mundelein was injured in an automobile accident at North State and Dundee roads Sunday morning and taken by a passing motorist to the Community hospital at Palatine for first aid. X-ray examination revealed a fractured collar-bone and general cuts and bruises.

Over sixty attended "guest day" Wednesday of the ladies aid of the M. E. church. It was a very enjoyable event with special program.

Miss Louise Wildhagen was a Sunday afternoon and dinner guest of Miss Hattie Larson of Oak Park.

George Hermann, Jr., suffered a broken leg while tobogganing Tuesday and is in an Elgin hospital where he is reported to be getting along nicely.

Helen Wiehdt is under medical care.

Mrs. C. A. Starck with daughter Anna May and son, Thomas and Mrs. Hack and son, Bobby, saw a play at the National Kindergarten in Evanston Saturday.

Mrs. A. J. Fimbach of Buffalo Grove is a patient in the Community hospital where she underwent a major surgical operation Monday.

### P. T. A. Seeks \$10 In Cash for Each Teacher a Month

Tuesday, Feb. 20 at South School the P. T. A. held its regular meeting. The president, Mrs. Atkinson, presided. After the first regular order of business was dispensed with, many points of interest were discussed.

It was announced that the next child study class would meet at Mrs. Bowlin's home, 539 S. Dunton. The mothers of the 3rd and 4th graders are especially invited.

The Pre-School Age class will meet March 5 at the home of Mrs. Jellingsham, 519 S. Vail. A lecture of special interest will be given at this meeting by Miss Roberts of U. of C. concerning the subject of fitting boys into home economy.

Mrs. Jarvis gave helpful suggestions concerning the Story Hour at bedtime for her Leisure Time report. These bed time hours furnish richest memories of home life and happiness.

An announcement was made of a meeting of the Chicago Association for Child Study Parent Education, to be held March 10 at the Palmer House. The president urged those who could to attend.

Mr. McWharter has been made a chairman of a warrant committee to aid teachers. It is the plan of the committee to try to see that each teacher get at least \$10.00 in cash each month. A sponsor for each room has been selected. Anyone interested in helping his child's teacher may do so in this way. The sponsors selected were as follows:

**North School**  
First: Miss Clark, Mr. Dick.  
Second: Miss Bearse, Mr. R. H. Jahn.  
Third: Miss Martin, Mr. Raymond Atkinson.  
Fourth: Mrs. Lorenzen, Mr. Moodie.  
Fifth: Miss Henning, Mr. Ash-ton.  
Sixth and Seventh: Mr. Vanderbeck, not appointed.  
Eighth: Miss Lorenzen, not appointed.  
Ninth: Miss Hayford, Mr. Feldman.  
Mr. Whitmore, not appointed.

**South School**  
First and Second: Miss Benson, Mr. P. Williams.  
Second and Third: Miss Nelson, not selected.  
Third and Fourth: Miss Derington, not selected.  
Sixth and Seventh: Miss Sodi, Mr. Schmitt, Miss Russell, not selected.

A report on the organization of the P. T. A. County Council of Northwest Suburbs at Park Ridge, Feb. 2, contained the news that our own president was elected vice president of this organization.

The announcement was made that Preston Bradley would talk to the Palatine P. T. A. at Cutting hall Mar. 12, on the subject of Parent Education.

The music consisted of two lovely solos by Mrs. Roth, accompanied by Mrs. McWharter, and at the close of P. T. A. chorus of eleven mothers led by Mrs. Mitzloff and accompanied by Mrs. Moodie, sang two numbers.

Mrs. Rheinshagen, program chairman, gave a short talk on the meaning of Founder's Day. She explained that this day commemorates the founding of the National Congress of Parents and Teachers by Mrs. Theodore Birney, Alice McClellon Birney and Phoebe Hearst.

Then Mrs. Daggett and her daughter, Esther, made a birthday cup sweetening—Love of parent and teachers for each child.

2 cup shortening—Devotion to interests or others.  
2 C Thickening—Abiding faith.  
1 teaspoon ea. of enthusiasm and efficiency. Bake in an oven of even temperature. Fill with 1C harmony. 1C understanding and 1C tolerance. Ice with justice and youth of the land. Flavor with perseverance.

Mrs. Atkinson assisted by Howard Heller, who voiced the plea of childhood for its rights lighted the candles on the three layer finished cake.

The A. E. club was very de-lightfully entertained by Mrs. Elizabeth Warner. It was indeed a great pleasure to have with us two out of town guests formerly of Arlington Heights.

### This Week's News in Arlington Heights

Just as the village board prepares for passage of a liquor ordinance, the state legislature passes some new regulation this week and the municipal authorities do not know what to do. The local board is reluctant to take final action until the state law is definitely settled.

The \$50,000 federal aid improvement of Arlington Heights water system is a step nearer with the receipt in Washington of the contract between Uncle Sam and the village.

Two deaths in Arlington Heights this week. Otto Jahrling died suddenly after discovering a fire in his basement. Mrs. Taeger was one of the old residents of the village.

Miss Jackson, our health nurse, is back on the job.

The county highway department will open bids next Tuesday for the widening of State road through the village.

The Boy Scouts are in a campaign to collect clothes and shoes which will be turned over to local relief agencies.

The Scouts will compete in first aid at the high school next Monday evening, to which the general public is invited.

Thurman J. Dodge has succeeded his father as manager of the Tibbits Cameron Lumber Co.

Arlington Heights high school basketball team walked over Bensenville 47 to 26 last Friday. Leyden will play here this week.

Village officials elected this year will only serve for one year. After 1935 municipal elections will only occur every two years when the terms of all the officials will expire.

Palatine and Arlington Heights town basketball teams will clash at the local gymnasium March 2. Oh, boy, won't we have fun.

**Arlington "A" Club Dance Saturday Night Is Attended by 200**

The second dance sponsored by the "A" club of Arlington Heights high school was given last Saturday night. It was even more of a success than the previous one in January. A new capacity crowd of more than one hundred couples enjoyed the hours of dancing from 8:30 until 12 o'clock. The gym was simply decorated, but differently and more attractively than for any recent school affair. The orchestra was located on a raised dais at one end of the gym and thus took better advantage of the acoustics of the gym.

The music was furnished by Earl Fredericks orchestra. This group of young boys of Arlington Heights have remarkably fine talent. They have been pronounced as possessing the best orchestra that performs anywhere in this district. This is all the more extraordinary since they are all so young. All of them are either in high school, or of high school age. In fact three of them are freshmen, and their ever popular soloist, is still in the grades.

This group is composed of Earl Fredericks, leader and trombone; and baritone; Bob Peterson, piano; Gail Peterson, soloist and trumpet; Eugene Doyle, trumpet; Geo. Schaefer, sax; Dick Turner, sax and clarinet; Billy Miles, sax and clarinet; H. Dobbins, bass; Don Hanauer, drums and guitar; Geo. Kincaid, sax and clarinet and E. Busse, banjo and guitar.

The "A" club is appreciative of the enthusiastic attendance at both of their dances and are giving consideration to the many demands for a third such party some time in March or April. They wish to thank each and all who have aided in making these parties such successes.

**CARD OF THANKS**

We wish to thank all who were so kind and extended their sympathy during our recent bereavement.

Mrs. George Weisgerber and family.

### Boy Scouts to Collect Clothes Shoes for Relief

The Boy Scouts of Arlington Heights in doing its part to carry out President Roosevelt's project for the Boy Scouts of America to aid the needy will use its efforts in the collection of wearing apparel for children and young folks and shoes of all kinds.

In contacting the local relief agencies it has been found that these two classifications of necessities for the needy, are of utmost importance and it is hoped that every home will make a complete survey of their attics and closets and will have those things ready for the collection next Saturday, March 3.

The children's clothes should not only be that for winter wear, but for the entire year, dresses, slips, coats, underwear, etc., and for boys as well as girls. The shoes to be collected are for all ages including men's and women's. The only requirement being that they have good tops for soles and heels can always be put on.

The materials collected will be turned over to the local relief agencies for distribution by them, and will be stored at their supply depot over Frankberg's confectionery.

**OLD TIME DANCING AT CHILDREY COMMUNITY**

Old Prospekt residents who enjoy old style dancing are invited to attend an evening of square dancing and waltzing at Childerley Community Center at the Junction of Elmhurst and McHenry roads on Saturday evening of this week. This is not a commercial enterprise, but a project of the center to which all in the nearby communities are invited to join. A fee of 25c is asked to cover expenses of music and refreshments.

**Music Department Presents an Unusual Program to Club**

It is not unusual to have good programs at the Arlington Heights Woman's Club, but the offering of the music department of that organization at the meeting Tuesday afternoon was different from the usual and was greatly appreciated by those present. It could be called "Folk Songs and Dances of the Nations." Twelve nations were represented in song numbers by either the Club Chorus, or individual members. National dances were given by Louise Roth and Myrtle Pedersen (Germany); Betty Vetter and Margaret Harris (Swedish); (Estonian); Evelyn Jarvis and Louise Roth (Irish).

Songs in dialect with their costumes according to country represented were given by Mrs. Maepel (Swedish); Mrs. Hofstetter (Swiss); Mrs. Miles (French); and The Woman's Club chorus rendered numbers appropriate to the following countries: Germany, Russia, Sweden, Hungary, England, Spain, Scotland, Ireland, and America. As a part of the latter Mrs. Roth sang "The Home Road," and Mary Jane Michael gave "Grandmother's Minuet." The program closed with "America" by the chorus and one verse of "Star Spangled Banner."

There was a guest day and there were a large number present. The program was in charge of the music chairman, Mrs. Fred Utterbach, while Mrs. Mitzloff directed the chorus. Miss Helen Geffert aided as accompanist and Mrs. John Grose, directed dances.

**Fear Cruel Taskmaster**

Fear is one of the cruellest taskmasters that ever binds and shackles the human will. Probably most of the failures in life are traceable to the deadly influence of fear. The world's great pioneers, its mapmakers, its empire builders, its great inventors and its finest philosophers have been those who were least affected by fear.

### Mrs. Bertha Taeger Dead; Long Resident Of Arlington Hts.

Mrs. Bertha Taeger of Arlington Heights was buried Tuesday. She died at the Presbyterian hospital in Chicago Saturday. Funeral services were held at the home, St. James and Vail streets, and in St. Peter's Evangelical Lutheran church.

The Rev. C. M. Noack and the Rev. Harry C. Fricke officiated. The Ladies Aid of the church, of which she had been a member for many years, sang a song, and two solos, "Savior I Follow On" and "Abide With Me" were given by Mrs. H. F. Rohrmann, a sister of Henry Hennig, son-in-law of Mrs. Taeger.

The pallbearers were nephews: N. L. Thompson and Walter Torgler, of Palatine; Oscar Taeger of Evanston; Rev. Frank Wittmer, Rogers Park; Paul Kruckenberg, of Lowden, Iowa and Otto Nieting of Pomeroy, Ia.

Mrs. Taeger was 71 years old. Bertha Kruckenberg was born December 13, 1862, at Itasca, Iowa. The family moved to Lowden, Iowa, where in 1887 she married Charles Taeger. After marriage the couple came to Arlington Heights, where they made their home ever since. They had five children of whom a son, Hugo, died while an infant.

Deceased always took a lot of interest in the Lutheran church and the ladies' aid in which she at one time served as treasurer.

Besides her husband, she leaves two sons, Paul Taeger of Arlington Heights and the Rev. Oswald Taeger of Bonfield, and two daughters, Mrs. Olga Hennig of Arlington Heights and Miss Edna Taeger of Arlington Heights, six grandchildren, two sisters, Mrs. Caroline Nieting of Pomeroy, Iowa, and Mrs. Henry Siegf of Maurice, Iowa, and two brothers, George Kruckenberg of Lowden, Iowa, and Ernest Kruckenberg of Hartley, Ia.

Relatives and friends from out of town who came to attend the funeral were: Mr. and Mrs. A. Schaefer, Mr. and Mrs. Stuart Timm, Miss Selma Siegf, Oak Park; the Misses Olga and Frieda Kruckenberg, Mr. Fred Lawrence of Great Bend, Kansas; Rev. and Mrs. F. Wittmer of Rogers Park; Mr. and Mrs. O. C. Taeger and children of Evanston; Mrs. Caroline Nieting, Mr. Otto Nieting, Pomeroy, Iowa; Mr. and Mrs. A. H. Harter, Ia.; L. Schumacher and daughter, Helen, of Evanston; Mr. Val. Hennig; Mr. Jacob Wagemann, Mrs. Theresa Pelz, Mr. and Mrs. H. F. Rohrmann, all of Chicago; Mrs. Anna Linnevech, Mrs. Bertha Ramsay, Mr. H. Schwaegermann, Forest Park; Mrs. Marie W. Howard of Rogers Park; Mr. and Mrs. N. L. Thompson, Mr. Walter Torgler, Miss Esther Smith, Palatine; Mrs. Geo. Behrens of Des Plaines; Rev. and Mrs. Joel Ross of Kiefer, Ia.; Mr. and Mrs. Hy. Siegf of Maurice, Ia.; Mrs. Geo. F. Kruckenberg, Mr. Paul Kruckenberg, Mrs. Martha Schaefer, Mrs. Fred Pieper, Lowden, Iowa; Mr. and Mrs. C. P. Dozier, Chicago; Mrs. Ruby Jacobson, Austin.

**CARD OF THANKS**

We desire to express our sincere thanks and appreciation for the kindness of neighbors and friends and for sympathy expressed in our bereavement.

Chas. Taeger and Children

**Miss Jackson, Health Nurse Back on the Job**

Miss Jackson, Arlington Heights popular health nurse, is back upon the job. She has been on leave of absence over 3 months and is as glad to get back upon the job as are the mothers and others with whom she comes in contact. During her absence her place was taken by Miss Jahnke, a relief nurse of the C. T. I.

Miss Jackson's present plans include a new dental clinic to start early in March, a pre-school round-up and the continuation of the infant welfare clinics.

### AUTO HINTS

By CHICAGO MOTOR CLUB

With the arrival of the season of icy and slippery highways, "Curve" and "Turn" signs take on added significance, particularly at night when the view ahead is limited.

"Curve" signs indicate a wide, gradual change in the course of the highway. When the road surface is free from ice or snow, these curves may be traveled at almost regular touring speeds. Slippery highway surfaces call for materially reduced speed when rounding a curve.

"Turn" signs when the road is icy constitute a warning to slow down to a few miles per hour, because they indicate an extremely abrupt turn, perhaps at an acute right angle, is ahead. When the road is extremely slippery, many of these should be taken in second gear, to insure against skidding.

Occasionally an automobile battery suddenly will lose its charge and after being recharged last but a day or two. Usually a short in the wires, or failing to turn off some switch, is suspected of being the cause. This is not always the case, particularly when the battery is old, as it is possible for it to develop an internal short, owing to faulty separators and shedding of the positive plates.

Some motorists add kerosene to the oil in the crankcase during cold weather to overcome difficult starting caused by an oil that is too heavy. This practice is not recommended, because kerosene destroys the lubricating quality of the motor oil. It is best to use a cold test oil of the proper grade.

When leaving one pavement and entering upon a different type, for instance, from cement to asphalt, it is advisable to touch your brakes a few times and get the "feel" of the new road surface. This is true particularly on wet or snowy days, as a quick stop might be impossible because of a slippery road radically different from the one just traveled.

A battery that is in good condition generally does not require the addition of distilled water oftener than two or four times a month, depending upon operating conditions. If an excessive amount of water is required, the charge rate should be checked with an individual ammeter, as the car ammeter might be faulty and not indicate an excessive rate of charge.

**AT RIALTO**

Marie Dressler! John Barrymore! Wallace Beery! Jean Harlow! Lionel Barrymore! Lee Tracy! Edmund Lowe! Jean Hersholt! Karen Morley! Phillips Holmes!

These are the names in the amazing aggregation of stars who appear together in Metro-Goldwyn-Mayer's sensational picture, "Dinner at Eight," which opens Sunday at the Rialto Theatre, Elgin, as the most remarkable picture filmed in the last decade.

The picture is based on the play by George S. Kaufman and Edna Ferber, which ran on Broadway for more than a year. It describes the emotional experiences of a heterogeneous group of people, who are brought together at a dramatic dinner party.

Shifting its focus from one angle to another, the camera picks out a retired musical-comedy star, a shipbuilder facing bankruptcy, a "washed-up" matinee idol on the verge of suicide, an unscrupulous millionaire and his faithless wife, a Broadway theatrical agent, a philandering young doctor, a Park Avenue hostess, a cook with a toothache. Each of these individuals has his or her own emotional conflict and then they are brought together in one blasting dramatic climax.

### WHEELING

Mr. Walter Pieper narrowly escaped a serious garage fire on Sunday night. He had just returned from a job with his tow truck which was not working properly. He began working on the truck to have it running better in case of another call and while doing so, it burst into flame. He tried to quench it with his extinguishers, but they were not sufficient. He turned in a fire alarm and then called for help to push the truck from the garage. His mother and several others ran to help and pushed the burning truck out in time to save the garage. Walter suffered severe burns on both hands and arms and his mother also was burned badly on her arms.

Mr. and Mrs. Mike Melzer announced the birth of a 10 lb. baby girl, born at the Wheeling hospital Tuesday a. m. Feb. 13. Mother and daughter are both doing nicely.

The pupils of the public school were much interested in a first hand account of China which was brought to them by a friend of Miss Christopherson, several weeks ago. That same privilege is extended now to anyone of the community who would like to hear of Miss Blecker's experiences on the mission field in China. Miss Blecker has accepted an invitation to speak at the evening service of the Presbyterian church next Sunday, Feb. 25, beginning at 7:30 p. m. Come and bring your friends.

Childerley Community Center is sponsoring an evening of old style dancing on Saturday evening, Feb. 24. A three piece orchestra will furnish music for square dances and waltzing. A fee of 25 cents will be charged which will include refreshments.

We are glad to note that Miss Louise Bell, who was operated on for appendicitis last week is getting along very nicely.

Mr. Joseph Behm and Miss Luella Hand of Park Ridge were married in a quiet ceremony at the home of the bride last Saturday afternoon. They are making their home in Park Ridge. The young couple has the best wishes of our community.

Wheeling chapter No. 850 O. E. S. is giving a white elephant party at the Masonic hall, Tuesday, Feb. 27, at 8:30 p. m. Each one is kindly asked to bring a small gift. Cards and bunco will be played. Refreshments served for 25 cents.

A cordial invitation is extended to all to come and spend a pleasant evening.

**MR. CHAS. JOHNSON**

Chas. Wm. Johnson was born in Lake View, then a suburb of Chicago on July 12, 1876. He came to Wheeling with his family in the year of 1896, where he made his home since. On July 23, 1902 he was married to Miss Lorena Wiest, which family circle grew to include a son and a daughter.

Mr. Johnson was interested in civic affairs of the village and was a member of village board and of the Vol. Fire Dept. at the time of his death. He was taken sick while at work about a month ago. He was under the doctor's care at his home for several days and when it became evident that an operation might be necessary was removed to a Chicago hospital. He rallied well from an operation, but later complications set in which took his life and he passed away early Sunday a. m., Feb. 11, at the age of 57 years.

Funeral services were held at the home and Presbyterian church on Wednesday, Feb. 14, and interment made in Wheeling cemetery.

He leaves to mourn his sudden going, his wife, his son, Earl, and daughter, Verna; 5 brothers and many friends and relatives.

### TIBBITS-CAMERON LUMBER CO. Announce CHANGE OF MANAGERS

The Tibbits Cameron Lumber Company, whose Main Office is in Milwaukee, Wis., wish to announce that Mr. C. F. Dodge, who has for many years been Manager of their local yards in Arlington Heights, has been retired, and they commend to their patrons and other citizens of Arlington Heights and adjacent territory, Mr. Thurman J. Dodge, who has been appointed as their new manager. Having lived in Arlington Heights practically all his life, and having been associated with the Tibbits Cameron Lumber Company in one capacity or another ever since his graduation from high school, Thurman needs no introduction to the residents of this community. The management of our Arlington Heights yards being one of the most important positions our company has to offer, his appointment is an evidence of the confidence we have in him, but whether Thurman makes good in his new position or not, depends not only upon his own efforts, but also upon the patronage and support of his friends and well-wishers.

Let us take this opportunity to express our appreciation of the patronage we have always enjoyed in Arlington Heights; to assure you that we shall continue to carry the best stocks of materials available; to promise you courteous and efficient service; and to bespeak for our new Manager your cooperation and support.

Signed,  
TIBBITS CAMERON LUMBER CO.

SAYS— By —  
Gerald A. McElroyCARDINAL FIVES WIN  
ONE-SIDED VICTORIES  
FROM BENSENVILLEHeavies Easily win 47-26,  
While Lights Take Or-  
angemen 29-11

By JOHN L. GROSE

The anticipated hard game between Arlington and Bensenville last Friday night turned out to be a 47-26 one-sided victory for the Cardinals. While Arlington came back strongly to drop in their season's record of baskets, Bensenville seemed to lack the pep and fire necessary for a heads-up game. As a consequence Arlington was driving in for a succession of set-up shots and the second half turned into a race for scoring honors.

The first half, which ended 19-9 in favor of Arlington, was largely a scoring battle between Bob Koske of Bensenville and Mielke of Arlington. Koske accounted for eight of his team's first half total of 9 points by virtue of three field goals and two free throws. Mielke out-pointed him, however, with 4 field goals and 1 free throw.

At the same time Pingel and Frank Szasz were each scoring twice, and Brodnan once, to assume a commanding lead. Arlington was off to a 6-0 start and was never headed. The closest Bensenville ever came, was in the first quarter when Koske brought the score within one point at 6-5 Arlington. In this half Steve Szasz drove in for a series of dead on shots only to miss them.

The second half was a scoring free-for-all. Throwing caution to the winds, Arlington ran up 28 points, but at the same time Bensenville was counting fairly consistently to score 17 points. In this half Pingel, Steve Szasz and Mielke continued their barrage, Steve leading with nine points. Shriver went for Bensenville and counted three times with Koske, Jennings, Davis and Freeman getting one each.

Mielke, Frank and Steve Szasz turned in the best games for Arlington. Klemm was on the job competently for a half.

Arlington also won a 29-11 one-sided victory in the lightweight division. Gieseke celebrated his birthday by getting the highest total of points. Weisberger, Helfers and Rohling followed closely on his heels. Pilgrim was the only one to score more than once for the losers.

**Palatine vs. Arlington**  
March 2, in Two Games

The Arlington-Palatine rivalry will have a changed personnel when the alumni take the places of the high school stars and continue the battle that was acquitted by the prep boys Feb. 9, the Pirates gaining a one point victory in an overtime. This victory gave the west siders a two to one edge over the Arlington teams and the grads are out to see what they can do to make the balance on their side.

The featured games will occur at the Arlington high school gym on Friday, March 2.

Interest grows with every reflection of bygone games when these two towns send representatives to battle for honor and victory. Memory of last year's defeat handed to the Blue Aces (one of the two all seasons) by the Palatine team still smarts and will be a main reason for regaining a triumph over the visitors.

Anyone who has been following the Aces will know that the game with Palatine will be one of those thrill a minute games. Each team will be keyed up for this game because they certainly will want to carry home the honors and victory. The rivalry between these two towns dates back a number of years and has become keener every year because of the great teams that are turned out at these two high schools and town teams. Many times quite a few people were turned away at these games because there was no more room for them. The game with Palatine should draw another large crowd. The mere fact that Arlington and Palatine are playing should arouse your anxiety to attend this game. Come early, because if you don't, you may be too late to get in. The first game starts at 7:30 p. m. Don't miss this great opportunity to see two great rival teams battle it out for a victory. The price of admission is very reasonable. Adult: 15c; children, 10c. Don't forget the date, Friday, March 2.

North Western Line  
Tells Plans for  
Exhibit at Fair

The Chicago & North Western Railway will have two exhibits again this year at the World's Fair, according to R. Thomson, passenger traffic manager of the road. Both exhibits will be more spectacular than they were in 1933.

"In our inside exhibit, where we had an average of 30,000 people daily between the middle of July and the first of September," said Mr. Thomson "we will continue with the 'Pioneer,' the first locomotive in Chicago and West, as the center of attraction. The show depicting the first trip of the 'Pioneer' between Chicago and the Des Plaines River will be amplified to make it more vivid and more attractive.

"While we have not definitely decided what else will be featured in our inside exhibit in the Travel and Transport building, in all probability, we will present our vacation regions in a more living manner than they were presented last year.

"On the outside, we will again maintain the 'North Western Park' south of the Travel and Transport dome and one of our Class II locomotives, the largest dual service locomotive in the world, will again be featured. This locomotive drew an average of about 6,000 persons a day during the main portion of the 1933 Fair.

"We were very much pleased with the reaction to our 1933 exhibits and we expect by improving them to draw more people in 1934."

## AT THE CATLOW

In common with many another star in the films, Jaul Muni is somewhat unacquainted with horses. Forced to learn to ride for his latest picture, "The World Changes," a Warner Bros.-First National which comes to the Catlow theater in Barrington, Feb. 24, he became so fond of the horse he used that he bought it, and another like it, from the cowboy who was renting it in the San Fernando Valley. Mr. and Mrs. Muni now take their daily horseback ride when the popular star is not engaged at the studio.

With the screen play specially prepared by the author of the stage play, with lavish settings, and with a cast headed by John Barrymore, Universal has extended itself to the utmost to make "Counselor-at-Law," which has been booked into the Catlow theatre starting February 25, one of the finest motion picture productions of the year.

In the cast, in addition to Barrymore, are Bebe Daniels, recently returned from Europe, Doris Kenyon, more popular ever, Onslow Stevens, slated for stardom, Isabel Jewell, the madcap receptionist of "Beauty for Sale," Melvin Douglas, who has played opposite both Gloria Swanson and Greta Garbo, Maye Methot, star of the stage production, "The Torch Song," and 10 members of the original cast of the stage production.

Two of the greatest personalities on the American screen are costared for the first time in Metro-Goldwyn-Mayer's talking picture adaptation of F. Marion Crawford's classic love story, "The White Sister," which comes to the Catlow theatre on Tuesday, Feb. 27. They are Helen Hayes, winner of the recent motion picture academy award, and Clark Gable, universally conceded to be the talkies' outstanding male idol.

If the girl you loved stood to go broke because your musical show was enjoyed from opening her new hotel, what would you do?

That was the problem faced by handsome Greta Garbo in "Flying Down to Rio," and he solved it in a way that makes the production the first of its kind in motion picture history, the first aerial musical.

With 5,000 guests assembled at the hotel, Raymond foils the villains by taking his 200 girls aloft in giant planes, Feb. 27. They are Helen Hayes, winner of the recent motion picture academy award, and Clark Gable, universally conceded to be the talkies' outstanding male idol.

## ARLINGTON-LEYDEN

## GAME BEST BATTLE

## ON TONIGHT'S CARD

Barrington at Bensenville for  
Revenge; Cardinal Lights  
May Take Leyden

The big game of this week-end is the Leyden-Arlington scramble on the Arlington floor, which although it will not have any effect on the conference championship, will be the best battle of the night. The Cardinals will be out to avenge a 30-25 defeat suffered at Franklin Park January 5.

Of the title contenders, the hardest working quintet will be that of Barrington, playing at Bensenville to draw blood in return for the 33-32 victory which Bensenville eked out on the Bronco court right after the holidays while Latta and Meiners, respectively, Bronco regular and reserve center, were out because of illness.

Palatine will be hosts to Ela, whom everybody has knocked about so far. Libertyville will play at Antioch, which is second from the bottom in the conference ratings. Wauconda, on par with Antioch, goes to Warren. The scores when these schools met January 5 were Palatine 26, Ela 6; Libertyville, 34, Antioch 18; Warren 38, Wauconda 7.

In the lightweight division Arlington also offers the best game of the week-end, since the Green Tornadoes' 36-30 victory was the only defeat which the league-leading Leyden lights suffered until the Palatine seconds edged ahead for a 26-24 victory Friday night. Another victory for Arlington will give the little Pirates the top position in the lightweight division alone, and will practically assure them of the trophy in this division since Ela and Antioch are their only remaining opponents.

Next week-end the conference season will draw to its close with two of the teams now in the lead meeting strong opponents. Arlington will play at Libertyville, Warren at Barrington, Palatine at Antioch, Bensenville at Wauconda, and Ela at Leyden.

## Leyden Checked 26-24

## By GERALD A. McELROY

Playing an air tight defensive game, Palatine's lights held the hot shooting Leydenites in check and defeated the league leaders 26 to 24. The victory moved Palatine into a tie with Leyden for first place and gave the little Pirates an excellent chance at the loop title.

Leyden was forced to resort to long shots throughout the game and but for superior free throwing would have been handed a decisive trimming. Palatine's control of the tip off and under the basket height gave them numerous set up shots.

Palatine scored 11 field goals to 7 for Leyden, but the latter had an edge of 10 to 4 on free throws.

Leyden took the first quarter lead 6 to 2 as Matuschek hit the hoop from long range. Iler, Kruse, and Wittenberg started hitting in the second period and evened the score at 11-11 at the half. Palatine jumped into the lead at the outset of the second half and maintained it to the finish though Leyden made a desperate rally in the final minutes.

The first-round games schedule York (Elmhurst) vs. Riverside, Lyons (LaGrange) bye, Bensenville vs. Downers Grove, Glen Ellyn vs. Morton (Cicero) vs. Wheaton, Prospect (Maywood) bye, Leyden (Franklin Park) vs. West Chicago, Hinsdale bye.

## Libertyville Gallops

## Over Visitors to Win

## 2 Games, 41-6, 26-8

Libertyville galloped over Wauconda last week on the Libertyville floor to run up a 41-6 score in the heavyweight game and a 26-8 total favoring the Wildcat lights. Both games were exceedingly one-sided throughout.

Libertyville's heavies moved into a 7-3 lead at the end of the quarter and stretched it into a 12-4 lead by the half. In the third quarter they held their visitors scoreless, while more than doubling the figure on their side of the board, the quarter ending 25-4. In the second half Libertyville rolled up 29 points while Wauconda scored but 2.

Radloff, Wildcat forward, rang up 9 points with four field goals and a free throw, and his running-mate Duddles, made three field goals and two free throws. Isaacson, center, accounted for three from the floor and one from the line.

Stickels, substitute forward, loomed two from the floor and Fenwick popped in a field goal and free throw. Hildebrandt, Lusk, and Tritz, guards, each made a field goal, and Snow, another guard, put in four free throws.

## Southern Cypress

## Exhibit Expanded

Expansion of its exhibit in the 1934 Fair and the addition of a variety of new features was announced by the Southern Cypress Manufacturers Association.

The Cypress Log Cabin which the Association exhibited last year will be completely redecorated on the interior and exterior. Many of the priceless relics featuring Cypress as "The Wood Eternal" will be on display again in addition to many other interesting objects.

The Association has arranged to take over part of the land occupied last year by the Dahlia Garden and on this site, they will erect a building to house a wood-working shop, where the public can see Cypress knees covered into realistic animal or bird heads or interesting rustic effects.

## Mrs. Donlea Dead

Mrs. Mary Donlea, who for many years lived in Wauconda, died in Wauconda Friday at the age of 80 years.

## PALATINE CLINCHES

## HEAVYWEIGHT LEAD

## WITH 33-26 VICTORY

## Lightweights Tie in First

## First Place by Defeating

## Leyden Lights 26-24

## By GERALD A. McELROY

Megal's Palatine Pirates practically clinched the Northwest Conference championship by defeating Leyden 33 to 26 at Franklin Park last Friday. The Pirates led all the way to win in a convincing fashion. Only Ela and Antioch remain on the Pirate schedule.

The Pirates got off to a slow start and were ahead 9 to 8 at the quarter with Reuse hitting three baskets. Blankenship contributed a pair of field goals as the Pirates piled up an 18 to 14 count at the intermission. The Pirates were in front 26 to 19 at the three quarter mark.

With a 10 point lead Palatine stalled for the final four minutes of the game with some well executed pass work. Baskets by Chapp and Atherton cut the Pirate lead in the last minute of play.

Reuse of Palatine had a big night with 11 points. E. Hahnfeldt and Blankenship had identical records of four field goals and a free throw.

## Lineups

**Mark Twain Great Funny Man**  
America's greatest funny man was unquestionably Mark Twain, and his life blanketed our continent. He was at times a Mississippi river pilot, a printer, a gold miner, a lecturer, traveler and publisher. He could, and did, make people laugh till they cried. He could do so because he understood people. With his own natural talents sharpened by the vicissitudes of his life, he had a sympathetic understanding of men which gave him a universal audience.  
**Exciting the Heart**  
That clutch-at-the-heart feeling at an unexpected pistol shot is worst when the bang sounds just as the heart starts to contract. At other periods in its beat the heart is braver, because it can better withstand the "startle" sensation which the brain telegraphs throughout the body.

## Mt. Prospect Department

Mrs. B. C. Terping entertained her card club on Thursday.

Mrs. Chas. Pankonin attended her card club at the home of Mrs. Broehl of Arlington Heights on Friday.

Miss Alice Muller spent Tuesday in Chicago.

Mr. and Mrs. Chas. Verret entertained friends on Saturday evening.

Mr. and Mrs. C. R. Thompson of Chicago, spent Monday at the P. H. Frey home.

Mrs. J. Bernhard entertained her card club on Tuesday. Mrs. Gould, Mrs. Lachner and Mrs. O. S. Johnson had high honors.

We are sorry to hear of the death of little Lois Smeby, who was in S. Dakota with relatives since her mother's death.

Mr. and Mrs. J. Bernhard attended the Americanism program at Ravenswood post on Wednesday evening.

Mrs. P. H. Frey and Mrs. E. M. Luckner attended the funeral of Mrs. A. P. H. Sammons of Irving Park on Saturday afternoon.

Mrs. Chas. Verret and Mrs. E. M. Luckner spent Wednesday at Speedway doing the many little things that they are requested to do by Mrs. Edwards for the American Legion Auxiliary for the boys at the hospital.

Stop right here and look it up now and then phone the Scouts—Mt. Prospect 1020. Old clothing, bedding, shoes, furniture, kitchen utensils, anything you can spare will be picked up and presently be a blessing to some less fortunate person.

**Community Church**  
Sunday, Feb. 25:  
Sunday school at 9:45.  
Morning worship service at 10:45.  
March 8, Thursday evening, quarterly meeting of congregation.  
March 2, is Rally day for the entire congregation, with a special service which all are asked to attend.

**St. Paul's Lutheran Church**  
Services Sunday, the 25th:  
English, 9:15.  
German, 10:30.  
Lenten services in German, Wednesday evening at 7:30.  
Lenten services in English Thursday evening at 8:00.  
Meeting of the A. L. L. Friday evening at 8:00. Bible study, business, social hour.  
Concert by Valparaiso University chorus at Concordia Teacher's college, River Forest, Sunday, Feb. 25, 8 p. m.

**V. F. W. Post No. 1337**  
Regular meeting of Prospect Post No. 1337 Veterans of Foreign Wars will be held at the V. F. W. clubhouse Friday evening, February 23, 1934, at 8 p. m.  
Flags will again wave on the streets of Mt. Prospect on Thursday, Feb. 22, commemorating Geo. Washington's birthday, when the Americanization committee of the V. F. W. make their rounds.

**V. F. W. Auxiliary**  
A very pleasant and social evening was held at the V. F. W. club house Thursday evening with the V. F. W. Post as guests of the Ladies' Auxiliary. Pinocchio, "5000" and bridge were played and there were prizes for both the ladies and gents.  
Delicious sandwiches and home made cakes were served.  
The V. F. W. Radio Broadcast "Hello America" was greatly enjoyed by all.  
Just a reminder, that the Ladies' Auxiliary to Prospect Post No. 1337, Veterans of Foreign Wars are still accepting the men's clothing donations, which will be sent to the unemployed and disabled veterans at Ed. Hines Jr. hospital. There are still a great many in need and if that overcoat doesn't fit you any more or underwear, won't you please call Mrs. O. S. Johnson, 1044; Mrs. Arno Schramm 964-M, or Mrs. Frank Seibel, 1185-J and they will gladly call for same.  
It is with much delight that Commander-in-chief, James Van Zandt of the Veterans of Foreign Wars, welcomed 3,500 new recruits to the ranks of the V. F. W. on the evening of February 15.  
Watch for announcement of V. F. W. after Lent's play.

**Mt. Prospect American Legion Junior Auxiliary**  
The regular meeting of the Mt. Prospect American Legion Junior Auxiliary, will be held Friday, Feb. 23, at 8 p. m., at the home of Lorraine Jonas.  
This is the evening that all essays and scrap books must be in. The judges will be there to judge them that evening. Mrs. Jessie Beddow, member of the Americanism committee of Cook county council, and Miss Myrtle Frey, a member of the Mt. Prospect unit will be the judges.  
The Juniors will also have another guest that evening, Mrs. Cook, membership chairman of Ninth district. So all Juniors be there to welcome the guests. After the meeting there will be a Washington and Lincoln party.  
Don't forget the silk stockings that evening.

A reminder—the Boy Scouts collection of used clothing, shoes, bedding, furniture, kitchen utensils and so on will end on the 28th. Please do not wait until the last moment. Phone now. Mt. Prospect 1020 and a Scout will call for your contribution.

## NOTED SPEAKER SCHEDULED FOR MEN'S CLUB

**Big Crowd Expected to Hear Psychologist at Wed. Meeting**

The speaker at the Community Men's Club next Wednesday evening, February 28, will be Dr. James M. Fitzgerald, pioneer in vocational analysis, who will talk on "Human Nature and Temperament." This will include an explanation of the different types of minds; why people have different methods and attitudes in their dealings with other people, and why different things interest different people. This explanation will be the basis for a better understanding of "why people act as they do," and of the best use to make of the characteristics of each individual.

Dr. Fitzgerald has been a vocational advisor for thirty-five years, and during this time his profession has come to be recognized as one of the most important in the realm of psychology. He has worked with a number of large corporations in the selection and proper use of their employees, and his ideas, to be presented to the Men's Club are based on his analysis of thousands of individuals, many of whom he has kept in touch with since his contact with them. The fact that his practical application of psychology is backed by his education as a Doctor of Medicine, accompanied with specialization in brain analysis and a complete understanding of phenology have made his services both professionally and as a speaker very much in demand. The committee in charge of arrangement of programs for the Men's Club is enthusiastic over the presentation of this program, which is expected to be one of the most interesting and instructive that has been given.

The meetings of the Men's Club are open to all the men of the village. They are held in the public school basement the fourth Wednesday of every month. It is expected that the program on February 28, will bring out a record crowd.

**Cub Pack To Organize Next Friday Night**

Attention: All boys between the ages of nine and twelve years of age are invited to attend a get-together meeting for the Cub Pack of Mt. Prospect Friday evening, February 23. The meeting will be held in the public school starting at 6:45 and continuing until 8:00 p. m. The purpose of the meeting is to organize a Cub Pack and to plan a program which will take in everyone interested.

The charter will be open to all the boys that desire, to sign up to Cub Pack. The committee will see to it that all boys get home safely after the meeting. Parents are also urged to attend this meeting.

Jack Gehring, Chairman of Committee, attended by their parents.

**A. L. L. to Meet Friday Evening in School**

The regular monthly meeting of the A. L. L. will be held Friday, the 23rd at 8 p. m. sharp, at the Lutheran school. There will be lesson in catechism and then business meeting. At about 9:00 p. m. the social program with music and singing will begin followed by a light lunch. All members and any one interested in our school are urged to attend. Annual dues are only ten cents. Children should be accompanied by their parents.

## Men's Club Speaker

Dr. James M. Fitzgerald who will address Men's Club on topic "Human Nature and Temperament" next Wednesday evening.

**Second High School Dance By "A" Club**

Another delightful dance was given by the "A" club of the Arlington Heights High School. It was an informal affair as was the previous dance.

The floor was decorated almost identically the way it was last time. The only difference was that the lanterns were stretched across the floor on long twisted crepe paper streamers meeting in the middle of the floor. All four streamers were joined together with the large red lighted "A's." Now and then the lanterns were turned off and large different colored lights were thrown across the floor.

Mt. Prospect Vocalists

The floor was crowded with dancers. The students and alumni were invited to the dance. Many alumni turned out and a good share of the students attended.

Earl Fredricks and his orchestra were the source of music. Small Gail Peterson, the boy with the grand voice, was one of the vocalists. Miss Florence Kirchoff and Miss Dorothy Wolf were the other vocalists. Both are from Mt. Prospect. There were fourteen dances altogether, the tenth dance was a robbars dance. Pop, ice cream, and candy were obtainable in the front corridor of the school.

The dance ended at 12 o'clock and everyone went home happy and well satisfied.

## Famed Characters United in Feature

"Tugboat Annie" and "Rasputin" form the latest cinema team Marie Dressler and Lionel Barrymore, together, come Sunday, Monday and Tuesday to the Des Plaines Theatre in "Her Sweetheart" (Christopher Bean), which marks their first appearance as costars.

The new picture, a vivid drama based on the famous New York stage hit, "The Late Christopher Bean" presents both stars in characters unlike any they have ever played. Miss Dressler enacts Abby, the faithful old servant. Barrymore is seen as the kindly country physician who, under the lash of avarice, turns to a scheming, grasping scoundrel seeking to rob her—only to have the woman's faith turn him back again to his lifelong path of honor.

The unique dramatic twist in the gripping drama of New England made the play with Pauline Lord on the stage, one of the most-talked-of offerings of the decade. It is the current stage sensation of Paris and London.

Sam Wood directed the new picture, with an elaborate cast which features Helen Mack, Beulah Bondi, Russell Hardie, Jean Hersholt, H. B. Warner, Helen Shipman, George Coulouris and Ellen Lowe.

Let us get behind the Scouts. If you have anything you can spare which might be used by a less fortunate family, spare it now. Call Mt. Prospect 1020 and a Scout will be around or better still, deliver it to the old bank building.

**Cloth Photographs**

Photographs can be made directly on cloth from any negative by using a solution which sensitizes the material. The print can then be made from the negative with the aid of an electric light, no dark room or other equipment being needed. The time for printing ranges from one to four minutes, and the resulting picture is permanent. No toning, fixing or other work is necessary after the print has been made on the cloth.

## "HELP US AID THE NEEDY" IS PLEA OF BOYS

**Drive for Materials and Clothing to Continue Until Mar. 1st**

Since the recent nationwide broadcast of Scout President Roosevelt in which the President charged the Boy Scouts of America with the task of collecting used clothes, shoes, bedding, furniture, kitchen utensils and so on for distribution to those in need, local Troop 23 has been busy.

Scoutmaster E. G. Ericson advises that while the response to date has been gratifying, many have overlooked the first appeal for last week's paper. The drive goes on all over the country until the end of this month. Let all of us check over our closets, chests, etc., and show our interest in the local Troop's effort by delivering anything we can spare at the old Bank building where a Scout will be on duty between four and six o'clock Monday to Friday inclusive and on Saturday from nine to twelve a. m., and from two to five p. m. If delivery is impossible call the Pure Oil Service Station, phone 1020 and a Scout will pick up your contribution.

**Hold Interesting Party**

As an expression of appreciation of the splendid showing made by the local Troop as outlined in our last issue, the members were entertained Tuesday evening last by the Troop Officers and committee. Following the regular scout meeting a party was held at which interesting movies were shown and refreshments served.

The local troop is now very busy in spare time preparing for the district first aid contest to be held next month. Last year the local troop against more experienced teams finished third and hope to better the count in the March contest.

## FORD TO BUILD HUGE EXPOSITION AT THE 1934 CHICAGO WORLD'S FAIR

A GREAT Ford Exposition, portraying the tremendous part the arts, sciences and virtually every other industry plays in the manufacture of today's motor cars, is planned by the Ford Motor Company for the 1934 World's Fair.

The Ford Exposition will be housed in a giant building 860 feet long to be built in the heart of the fair grounds on an 11-acre plot bordering Lake Michigan and flanking the main fair boulevard. Construction of the building will start Mar. 1.

In the dominant central building will be housed Henry Ford's "Drama of Transportation," depicting the development of wheeled vehicles from the chariots of ancient Egyptian kings to modern motor cars. Every model of Ford car made since 1903 will be included.

In the smaller building to the left will be housed some of the priceless historic exhibits from the Edison Institute at Dearborn, Mich., including the onestory brick workshop, complete with the original tools, where Mr. Ford in 1893 built with his own hands his first motor car. This first car will be displayed inside the shop.

The main exposition building will display an imposing array of exhibits, most of them in action, show how steel, aluminum and other metals, soy beans, corn, wool, cotton and other farm products and the products of myriad industries are converted into car parts. The building also will house displays of cars and a big movie theater. Along the east side will be an open-air balcony equipped with chairs and lounges where hundreds may relax. Across the drive fronting the take will be a big Ford Park, beautifully landscaped and also fitted with seats and other comforts for fair crowds.

# **NEWS FOR THE FARMER**

**This Little Pig Was All in Corn**

A story from Mahomet down in the central part of the state tells of a live pig which was found buried in corn, where it had been imprisoned for at least 50 days. It is not known how the pig happened to get buried in the crib of corn, and it seems to have obtained enough water from the corn to keep itself alive.

**Chicks Sold Below Cost, Hit by Code**

Urbana, Ill., Feb. 22.—Buying baby chicks at "cut rate" prices less than the cost of production will be an impossibility this spring under the terms of the hatchery code of fair competition which is now in effect as one means of stabilizing the poultry industry, it is pointed out by H. H. Alp, poultry extension specialist of the College of Agriculture, University of Illinois. He has been placed in charge of the educational work on the code in Illinois.

Illinois farmers bought 17 million baby chicks in 1929, the most recent year for which complete figures are available. The total for the country as a whole was 272,402,462 baby chicks, a volume which indicates that stabilization of the poultry industry might well start with the hatchery business, Alp said.

The listing of prices at which each member of the hatchery industry offers his products will be kept in the code headquarters at Kansas City, and all listed prices must be between the cost of production, Alp explained. Price changes must be in the mail for Kansas City 48 hours before becoming effective or they may be made by wire 24 hours before becoming effective.

## **Suggestions To Egg Producers**

Eggs are perishable. Due to the shell being porous, the contents evaporate quickly in dry warm air. Unless care is used, many eggs have badly deteriorated before they leave the farm for the market. It is of utmost importance to egg producers in securing top price for eggs and maximum consumption of eggs that the best possible care be given all market eggs while still on the farm.

The most marketable eggs weigh two ounces or more, or twenty-four ounces per dozen. Build your flocks to this purpose by selection of a breeding stock. (1) For egg size (2) For good body weight. (3) For eggs bring more money. Therefore:

- Provide plenty of clean litter on floor.
- Use clean nesting material.
- Provide dropping boards with wire netting under roost poles.
- Keep hens out of nests at night.
- During muddy weather confine birds at least until noon.
- Infertile eggs are more easily held to market grade. Infertile eggs are produced by disposing of or segregating roosters as soon as hatching season is over.
- Frequent gathering of eggs, especially in hot weather, helps to produce superior eggs with fewer dirties and checks. Gather eggs two or more times daily.
- Proper cooling can be effected by hanging in wire baskets, either in a cool cellar or in specially constructed, properly covered and protected holes dug in the ground for this purpose.
- Market eggs frequently, at least twice a week where possible.
- Announce Pruning Demonstration

A pruning demonstration to which all farmers are cordially invited to attend will be held Thursday, March 8, at the Frank Keller farm located on Ogden avenue, Du Page county, 1 mile east of the Naverville-Wheaton road. Professor Marsh of the University of Illinois will conduct the demonstration.

## **Now is Time to Kill Chinch Bugs**

Farm Adviser H. S. Wright of Du Page county stated Tuesday that now is the proper time to provide the death penalty for chinch bugs, which threaten to be a greater menace than last year in this region unless active steps are taken to destroy them or unless the weather is on the farmers' side.

An investigation this week shows them to be plentiful in all parts of DuPage and northwest Cook counties. They are to be found on the steep slopes of roads and the south side of ditches, etc., where the sun shines. They are most numerous in subdivisions where grass has grown freely. They can be found buried in the soil to the depth of one and a half inches.

Burning in places where they are located against the wind is a sure way of destroying them says Mr.

**J. J. WICK AND AUGUST FROELICH, Auctioneers.**  
**J. A. SCHMINKE, Clerk.**

**Wright, Burning with the wind is not nearly so effective.**

350 Signers for DuPage Next Week

The corn-hog program in DuPage county is moving rapidly and with great success. A total of 359 will be signed by next week it is reported. The DuPage county farm bureau signed a contract after a favorable vote by the county supervisors, Tuesday. If DuPage reaches its goal a total of \$400,000 will be distributed to the farmers by the government.

Although the bonus for getting down corn and hog production will be helpful to the farmer, the real benefit will come, says Farm Adviser Wright, by a substantial improvement in the corn and hog price level. This is the big end in view. The present price of hogs which is \$4.40 the government program expects to raise to \$8.50 and the present price of corn which is 45 cents this program seeks to bring to 75 cents.

**Melons Once Grew Wild**  
Muskmelons, watermelons and cucumbers first grew wild. All three of these plants are probably natives of Africa and possibly also of neighboring portions of western Asia. They have been known to native peoples since prehistoric times.

# RETAILER TAX HEARINGS NOW ON IN DU PAGE

## 125 Business Men Sum- moned Before State Wheaton Staff

The Department of Finance of the State has scheduled 125 retailers doing business in DuPage county to appear for hearings at the DuPage County Court House in Wheaton, in order that their liability may be determined. These retailers have been scheduled for hearings, since they have failed to file the monthly returns and pay the Retailers' Occupation Tax up to date which is provided for by the law effective on July 1, 1933. The law grants the retailer the privilege of a hearing before the Department prior to the Department's fixing the amount of tax which is due and owing by him. In cases where retailers have been delinquent in filing returns or paying the tax, the law provides for a penalty of 25 per cent of the amount of tax due and for a further penalty of 1 per cent per month where the taxpayer fails to pay the assessment of the Department within ten days after notice of such assessment.

Hearings are being held for DuPage county on Feb. 20, 21, and 23, and begin daily at the hour of 10 a. m.

Section 11 of the Retailers' Occupation Tax Act provides that all information received from hearings or investigations of the Department shall be confidential, except for official purposes, and it provides heavy penalties upon officers for the Department who permit the divulgence of any such information. This provision is for the protection of the taxpayer, and the officials of the Department are obliged to conduct these hearings privately. Tax payers are permitted to be represented by attorney or counsel, however.

Retailers scheduled to appear are required to produce books and records relating to their business before the Department of Finance for examination.

## Judge Win G. Knoch Elected President Of Illinois Ass'n.

Judge Win G. Knoch of the DuPage county court was elected president of the Illinois County and Probate Judges association last Saturday at the end of a three day convention. He was secretary, treasurer last year, and succeeded Judge Harry Beck of Ottawa as president. Judge Everett Lewis of Benton and Judge Ray Sessler of Pontiac were named vice presidents, while Judge Harry C. Daniels of Elgin was chosen secretary-treasurer.

A committee headed by Judge Knoch was introduced to try to get funds from the Illinois Emergency Relief Commission for dependent and neglected children downstate. It was pointed out that such money has been available to date only in Cook county.

ILLINOIS BELL TELEPHONE CO.

## ITASCA

St. Luke's church is sponsoring a seven reel movie of the Passion Play—the life of Christ to be given in the church Friday evening, Mar. 2 at 7:30. A silver offering will be taken.

Mesdames Irene Madsen, Fred Ollman and Mildred Baker attended a music conference at the Congregational church at Evanston on Tuesday and registered as representatives from the Evangelical choir.

Rev. and Mrs. Kesselring called on friends in Lake Park, Tuesday. The smaller boys in the public school have been organized into two soccer ball teams—the Hawks and the Owls. George Goeddeke is captain of the Hawks and Billy Ladd captain of the Owls. So far they have been practicing getting in trim for some future skirmishes. Here's luck to the boys.

Mrs. Rose Runyan and friends from Chicago visited the former's sister, Mrs. Charles Klein Thursday.

Miss Della Droege Mueller returned from St. Joseph's hospital, Elgin, Saturday, feeling much improved after her operation.

Mrs. Edna Becktel entertained the Bridge club at her home Tuesday afternoon.

Miss Evelyn Wischardt who has been employed at Glen Ellyn, is spending a vacation at home in Itasca.

Mr. and Mrs. Fred Bicknese of Hampshire visited at the home of Mr. and Mrs. Ed. Bicknese Sunday.

Mr. and Mrs. Arthur Bretman of Chicago visited the home folks in Itasca last Wednesday.

The school hill that has furnished so much fun for the Itasca school children so many years was dressed up the other day receiving a covering of snow and water to free ready for the winter's coasting.

The Itasca fire department was called out Saturday afternoon to extinguish a prairie fire just east of the town.

Mr. William Matthies recently erected a garage adjoining the south side of his home on Maple street, which is not only a convenience but an improvement as well.

Menshinger's grocery store has been undergoing improvements of late. The interior arrangement of counters and shelves has been added to the most office department, which adds greatly to the appearance and indicates more business.

Messrs. William and Wister Chessman visited at the home of Mrs. Jenkinson in Chicago on Thursday of last week.

The Presbyterian missionary society finished the quota of one hundred and fifty bands at the last meeting Tuesday. These will be mailed to a mission in West Africa.

Rev. Spierling delivered the sermon at the evening service of the Catholic church on Friday, the day of prayer. Miss Link teacher of the intermediate grade of Itasca public school rendered a vocal solo.

Mrs. James Love is expecting her mother, Mrs. Farnsworth, home from Texas this week, where she has been visiting a sister, during the past month.

Miss Ruth Kossack of the telephone exchange has been visiting her parents at Algonquin, while on a short vacation.

The Itasca Garden Club will hold the annual luncheon at the home of Mrs. von Gunten next Monday. The new officers will take on their respective duties and a social hour will be given to renew acquaintances.

## NILES CENTER

Mrs. Arthur Holtmann is at St. Francis hospital receiving treatment. She has been suffering over two months with inflammatory rheumatism.

Mr. William F. Ruesch, who is still ill, has greatly improved the past few days.

Thursday, Washington's birthday, was also Mr. Samuel Meyer's birthday. Relatives and friends never forget Uncle Sam's birthday.

Mrs. George Blumauer, Miss Irene Tess, Mrs. John Buscher, Mrs. Armin J. Mayer, Miss Carrie Harter and Mrs. Lucile Little, members of the Niles Center Woman's club and Junior club were among the guests at the Presidential Day of the Cosmos club Monday afternoon.

Mr. and Mrs. M. Gabel of Floral avenue, are both confined to their beds.

Mr. Theodore Isermann has been sick the past week.

Mrs. John Brown is also confined to her bed. She is fortunate to have her cousin, Mrs. M. Dietrich from St. Joseph, Michigan, here to take care of her.

Mr. G. Allen, father of Mrs. Paul E. Ilen, was at St. Francis hospital suffering from an infection in his left foot. The leg was amputated, but he passed away. Funeral was held Wednesday from the late residence. Interment at Memorial Park cemetery. He leaves to mourn his widow, a son, Arthur and daughter, Mrs. Paul E. Allen, many relatives and friends.

Mr. and Mrs. Willard Galitz and Patsy were Sunday evening supper guests of Mr. and Mrs. Elmer Burge.

Mrs. Frank L. Noetting of Terminal avenue, entertained the A. P. L. club at her home Saturday.

About 40 people attended the tour through Chinatown, including the Chinese dinner, as one of the tours of the Niles Center Woman's club, Tuesday afternoon. Mrs. Lucille Little, chairman of the Women's club, had charge of it.

Mrs. Minnie Bauer of Rogers Park spent Thursday afternoon with her cousin, Mrs. Albert Buttmann.

Mr. and Mrs. Carl Suhr of Morton Grove and Mrs. Anton Rath visited at the home of Mr. and Mrs. Henry Guenther after Lenten service Wednesday evening.

Miss Irene Jacobs of Bensenville spent several days with Miss Helen Maierhofer.

The card and bunco club met at the home of Mr. and Mrs. Albert Alf, Thursday evening.

Niles Center high school basketball teams defeated the teams from Elia township high school, Monday evening. The heavyweights won 25 to 23. The lightweights won 33 to 13. Mr. Isaacson's boys have been playing some good games during the season.

Mrs. Ella Shepherd is spending several weeks with relatives at Mokena, Ill.

Several of the ladies attended the birthday social in the Jerusalem church assembly rooms Tuesday afternoon.

## ST. PAUL'S EV. LUTHERAN CHURCH

Otto F. Arndt, Pastor

Sunday, Feb. 25:

9:30 a. m., Sunday school and Divine service in German.

11:00 a. m., English worship.

Wednesday, Feb. 28, 1934: 7:30 p. m., third Lenten service.

These services are conducted every Wednesday evening until Easter, alternately in the German and English language. Next Wednesday service will be in German.

The sole purpose of these special services is to contemplate anew the great sacrifice of Jesus Christ on Mount Calvary, thru which sinful mankind has been redeemed. Again at this solemn season of the year the voice of the suffering Savior may be heard crying out to a troubled and perplexed world: "Is it nothing to you, all ye that pass by? Behold and see, if there be any sorrow like unto My sorrow! Come unto me, all ye that labor and are heavy laden, and I will give you rest." Won't you heed this gracious invitation and join us in our mid-week Lenten meditations?

## NILES CENTER HIGH SCHOOL HONOR ROLL

The N. C. H. S. Honor Roll for the fourth period which closed Jan. 26, listed the following pupils:

Freshmen: Bettie Anderson, Adeline Ide, Marjorie Ahrens, Virginia Buthman, Catherine Smith, Mary Bunton, Ruth Shilski, Loretta Kisor, Kenneth Smith, Lillian Bremer.

Sophomores: Laura Ross, Henry Rollick, Ruth Johnson, John Baptist, Irene Lesch, Margaret Anderson, George P. Baumann, Jack Baumann, Agnes Kretsch, James Low, Louise Tilges.

Juniors: Helen Ormberg, Barbara Perkins, Gladys Baumann, Mildred Guenther.

The Honorable Mention Roll which includes all pupils with grade average of 85 or better, who have not been placed on the Honor Roll, names the following:

Freshmen: Edwin Lange, Florence Dreihoble, Freda Johnson, Gene Jordan, Dorothy Mayer, Maxine Pausch, Margaret Reiter, Wayne Lindahl, Nicholas Endre.

Sophomores: Betty Bunton, Harold Wolters, Arden Erdman, Marie Di Salvo.

Juniors: Kenneth Taylor, Mathias Horvath, Jacob Barg, Ralph Kasten, Lucile Larson.

## WEST NORTHFIELD St. John's Ev. Lutheran Church

W. G. Fechner, Pastor

Feb. 25: Divine service in German at 10:00 a. m.

Feb. 28: German Lenten service at 7:30 p. m.

March 4: Divine service in English at 10:00 a. m.

Feb. 26 to March 3, the morning devotion of Concordia College, Milwaukee, Wis., may be heard daily from 7:15 to 7:30 a. m., over station WTMJ.

## GLENVIEW

The mother of Mr. Henry Mueller was buried Monday afternoon at Graceland cemetery, Chicago. She died in Foley, Alabama, where she had spent the last years of her life. Her body was brought to the home of her daughter, Mrs. George Schick of Northbrook, and services were conducted at St. Peter's Evangelical church. She leaves to mourn their loss three sons and two daughters.

The Order of the Eastern Star will be honored at their meeting Friday night in the Civic building by the presence of the Job's Daughters, who will feature of their work. A special feature of the meeting will also be a food sale, for which a part of the membership will be asked to donate.

The choir of the Congregational church is planning an Easter program of music to be given Easter evening.

Mr. J. N. Westbrook, Gail Westbrook, Arthur and Lillie Palmgren, and Mrs. Naomi Johnson attended the meeting of the Chicago Congregational club Monday night. The special speaker following the dinner was Professor Paul Douglas of the University of Chicago, son-in-law of Lorado Taft, the sculptor. The address was on the significance of the National Recovery Act, and proved very interesting. Following his talk, Professor Douglas answered any number of questions put to him by members of the audience.

Miss Adeline Rugen entertained the members of the T. N. T. club at her home last Friday night. Bridge was the order of the evening, followed by dainty refreshments.

Mrs. Naomi Johnson attended a shower in Libertyville Thursday evening.

The chorus and orchestra are busy in practice on their spring program. The orchestra meets every Sunday afternoon in the Civic building, the chorus every Monday night in the same place. Mr. Jesse Stevens is the director of both. Members are solicited from Glenview and Northbrook, assisted by Chicago friends. Miss Marjorie Schick of Northbrook is the accompanist.

The O. E. S. Girls club will hold their March meeting at the home of Miss Lillie Palmgren on Waukegan road.

Mr. and Mrs. Guy Alvord of Glenview road will move to South Dakota, where Mr. Alvord has been transferred by the C. M. & St. P. railroad. Mr. Alvord is spending this week in South Dakota, and will probably locate a place to live.

The Alvords were dinner guests of Mr. and Mrs. Richard Haupt last Sunday.

## EAST MAINE

Mr. and Mrs. Albert Warnke are the proud and happy parents of a seven pound baby girl born Feb. 21. Teachers and pupils of St. Matthew's Lutheran school enjoyed a day off, Feb. 22, in honor of Washington's birthday.

Adolph Moeller is spending his second week doing jury service in the circuit court.

Several of East Maine ladies attended the birthday-bunco given by Jerusalem Ladies' Aid at Morton Grove, Tuesday afternoon. St. Matthew's Ladies' Aid entertained at a similar birthday party Feb. 22. Hostesses were, Mrs. Edward Altenburg, Mrs. August Jensen, Mrs. Gust Loeding and Mrs. Geo. Stiel.

Mr. and Mrs. Henry Koch entertained a crowd of relatives and friends at their home Sunday afternoon and evening in honor of Mr. Koch's birthday. George Engel also observed his birthday anniversary Feb. 18.

Mr. Christ Hennig spent two days last week at Urbana, Ill., attending the annual meeting of Illinois Mutual Insurance companies. Mr. Hennig was one of the representatives of the Maine company.

Mr. and Mrs. Ben Babcock entertained sixteen friends at a Saturday evening, Monday this week the same crowd met at the home of Mr. and Mrs. Otto Jacks to continue the game. Enjoyable evenings were had at both places.

## KINDERGARTEN PROMOTION WELL ATTENDED

Sixty mothers with a fair sprinkling of fathers attended the kindergarten mid-year promotion exercises held at Lincoln school.

Following a program of songs and dances by the pupils, which comprise three classes, the Junior Kindergarten, the Senior Kindergarten, and the Pre-Primer, the ribbons and certificates were awarded.

Sixteen Juniors received ribbons signifying promotion to the Senior Group, 34 Seniors were advanced to the Pre-Primer Section, and 19 were awarded Certificates of Promotion to first grade.

Fifteen beginners have enrolled to date in the Junior Kindergarten, which began February 1, making a total enrollment of 70 pupils for this semester.

## ENROLLMENT SHOWS INCREASE AT LINCOLN

An attendance report taken Monday, Feb. 5, by Supt. R. E. Cotanche, superintendent of the Lincoln building, shows 420 pupils enrolled in the elementary grades, and 170 in regular attendance in the high school department, a total of 590.

Mr. Cotanche reports that instruction in Art in the high school has been undertaken by Mr. John G. Wilkins, instructor at the Chicago Art Institute, who will be at the Niles Center high school Thursday and Friday afternoons each week. Thirty pupils have elected this course.

Also Miss Ruth Cole, former primary and kindergarten instructor at the College Hill school, has been assigned by the Civil Works administration as assistant in the kindergarten department, in charge of the beginning pupils of nursery school ages.

## Morton Grove

Mr. and Mrs. Ervin Peel and Mr. Stagle, Irving Park, were Sunday dinner guests of Mr. and Mrs. Ray Taylor.

The Harmony Glee Club of Morton Grove toured Chinatown Tuesday evening and Saturday they were entertained by Mrs. Clarence Dahm in honor of her birthday.

Sunday supper guests at the Fred Sonne home were Dr. and Mrs. J. J. Mussil and Wm. Nelson, Niles Center and Mr. and Mrs. Herbert Nelson, Chicago.

Mrs. Harry Lump entertained her sewing club Monday.

Mrs. Harry Felt and Mrs. Elmer Hixcox were luncheon guests of Mrs. Herbert Dilz Wednesday.

Mrs. Alexander Falk had as her guests at the Cosmos Club's President's Day, held Monday afternoon at the Niles Center Municipal building, Mrs. Armin Mayer, Mrs. John Busscher and Miss Carrie Harter, all of Niles Center.

Mrs. George Jordavas had a pleasant surprise Sunday when her brother, Mr. H. R. Pearson of St. Louis, stopped off here for a short visit. He was on his way to Montana to take charge of a government project. Mr. Pearson is an electrical engineer.

Plans for a joint St. Patrick's night dance are being formulated by a committee composed of members of Niles township post and unit of the American Legion and auxiliary. The committee is headed with Arnold Lindemann as general chairman. Those assisting are Dr. S. A. Cowan, Peter F. Gehel, Mrs. A. J. Lindemann, Mrs. Wilbur Jenkins, Mrs. John Lenzen and Miss Elsie Schieman.

## Mr. and Mrs. J. H. Sell Celebrate Silver Wedding

Saturday night, Feb. 17th, a large number of relatives helped Mr. and Mrs. John H. Sell celebrate their silver wedding. The weather man did his best to provide the best for them. The happy couple received many beautiful and useful gifts of silver. After a bounteous supper, bunco, and cards furnished the amusement. Gardenias and silver leaves were the bouquets worn by the bride and groom. Everyone had an enjoyable time and after wishing them that they should live to see the golden wedding day they departed in the wee small hours of the morning.

Among those present were: Mrs. Bertha Peters, Mr. and Mrs. Henry Karnatz Sr. and son, Mr. and Mrs. Mahler and son, Mr. and Mrs. Geo. Pick and family, Mr. and Mrs. Wm. Sell and Esther, Mr. and Mrs. Lewis Pohlman, Mr. and Mrs. Henry Peters, Mr. and Mrs. Henry Karnatz and family, Mr. and Mrs. Edwin Thiele, Mr. and Mrs. Bernhardt Fick, Mr. and Mrs. Alvin Peters, Mrs. Etta Drewes, Mr. and Mrs. Lewis Theis.

Mr. and Mrs. Martin Hoekstra, Mrs. Fred Winters and Frank, Pauline and Ann Hooley of Niles Center, Mrs. Julia Gutsmier, Mr. and Mrs. Werner Trauter and family, Mr. and Mrs. Healy Leuth. Sing a song of gladness And cheer upon this day Five and twenty milestones On love now mark you, way May you: love continue. And new joys unfold. Till your fiftieth milestones Turns them all to gold.

## Bible Verse Letters

There is a verse in the Bible containing every letter of the alphabet, with the exception of the letter "q" which was not included in the early alphabets. It is the twenty-first verse of the seventh chapter of the Book of Ezra.

You wouldn't buy a horse and buggy...  
**THEN WHY USE ANCIENT HEATING METHODS**

**WHEN RATES FOR GAS ARE SO LOW?**

Is your heating plant out of date—like the old-fashioned horse and buggy? Do you still put up with soot, dust, dirty ashes, and back-breaking furnace drudgery?

Why not get rid of all this mess and nuisance! Heat the modern way—with gas. Gas heat is as different as night is from day, from all other forms of heat. You have no furnace worries from one year to the next! Your house stays clean, because gas gives off no soot or dirt. You say good-bye to coal shovels and dirty ash buckets. And every hour, day and night, your house is kept at the correct temperature—automatically.

To prove that every home can afford to heat with gas, we'll install it at our expense... and remove it at our expense, if you don't like it.

Low rates—you invest nothing to try

Rates for heating homes with gas are now one-half of what they were in 1930-31. And you can try gas heat without one cent of investment! We will install a burner in your present furnace or boiler at our own expense. You pay only the

rental on the equipment, which amounts to \$3 a month in the average home. You try it for a month, two months, a year. And if within the year you find that you are not completely satisfied with gas, we will take it out at our expense and replace your former heating equipment in good workmanlike order. But—if you decide to keep gas heat—as we think you will—the rental you have paid applies on the purchase price of the equipment.

Don't delay! Investigate this liberal offer on gas heat today. Call your nearest Public Service Company office for full information.

**YOUR GAS METER**  
You are proud of the accuracy of your fine watch. And rightly. It's an excellent precision instrument. Yet it is no more accurate than your gas meter. By official test made before meters are installed—and recurrent checks within specified periods—the Public Service Company of Northern Illinois attains in its meters as high standards of accuracy as the fine watchmaker who manufactures your pocket timepiece. Before installation, every meter must pass the rigid test of official inspectors. In the Company's laboratories meters are checked according to specifications set up by the United States Bureau of Standards. A carefully measured volume of gas is passed through the meter and it is adjusted to exact accuracy.

Gas heat can be installed in your home without allowing the house to cool off
